ACKNOWLEDGEMENT

All the praises and thanks are for the most merciful and most compassionate, Almighty God, who is entire source of all the knowledge and wisdom to mankind. It is He, who blessed me the courage, ability and sufficient opportunity to complete this work.

It is my privilege and honor to express my deepest gratitude to my dignified research guide Dr. R. S. Saler, post graduate department of Botany, K.T.H.M. college, Nashik, for his inspiring guidance, useful and intellectual suggestions, timely advices and encouragement throughout the whole research endeavor. His keen interest and painstaking efforts during the course of research work are specially acknowledged. His association will remain a beacon light to me throughout my career.

I am expressing my sincere gratefulness to my co-guide Dr. V.B. Gaikwad, B.C.U.D Director, Pune university, for his untiring effort and constant guidance throughout the whole research endeavor. I feel very blessed to be one of his students.

I thank and regard Dr. P.M. Nalawade, head of department of environmental sciences. K.T.H.M. college, Nashik.

I wish to extend my sincere thanks to Dr. V. P. Wani, head of institute of engineering. MET’s. BKC. Nashik, for being continuous source of inspiration, advice and kind cooperation.

I am thankful to my colleague Ms. Pratibha Pawar and Dr. P. P. Wani for their continuous help and suggestions during my research. I am also thankful to the staff members of institute of pharmacy who helped me directly or indirectly.
I wish to pay my special thanks with sense of gratitude to my husband Mr. Sunil Raut without whose support, it was impossible to complete my research work.

I would like to appreciate my kids Palash and Shreedha for their sacrifice and perseverance during the period of my research. I would also like to express my gratitude to my in laws for their encouragement and support.

Words are inadequate to express my feelings for my parents and my brothers for their moral support and their prayers and love encouraged me at every step of my life.
