ACKNOWLEDGEMENTS

I would like to express my heartfelt gratitude towards those who gave me opportunity and possibility to complete this thesis.

First and foremost, I would like to thank my research guide, Dr. S.M. Nikam, who showed faith in me and introduced me to the field of Taxonomic Research. Without his guidance and support this thesis would not have been possible. I take this opportunity to thank UGC for giving me the chance to work as a Project Fellow in Major Research Project sanctioned to Dr. S.M. Nikam during 2007 to 2010, as major part of my research was done during this period.

I am grateful to Dr. V.B. Gaikwad, former Principal, K.T.H.M. College, Nashik and currently, Director, B.C.U.D. University of Pune for his encouragement and motivation during this research period. I am also grateful to Principal Dr. D.M. Dhondge, K.T.H.M. College, Nashik for providing necessary laboratory facilities to carry-out my research work. I would like to express my sincere thanks to my teachers Dr. B.M. Deoray, Dr. Y.D. Bedse, Dr. P.R. Bhamre, Dr. Ali, Dr. A.E. Desai and Dr. Sujata Magdum for their valuable suggestions and guidance.

I am thankful to Mr. Isaac Kehimkar from B.N.H.S. Mumbai, for helping me in taxonomic identification. I express my sincere thanks to Dr. R.D. Patil, Pimpalgaon and Dr. A.D. Padhye for their guidance. Special thanks to Dr. Shindikar, Engineering College, Pune for his help in statistical analysis.

I am especially indebted to Dr. S.R. Gudsoorkar for all the help and kind co-operation extended to me during this research work.

I am thankful to my friends Sonal Patil, Jaising Darekar, Sachin Gurule, Vinod Borse and Victoria Bhalerao for their field assistance. I also thank non teaching staff of Zoology department, K.T.H.M. College: Mr. More Vijay, Mr. Shelar, Mr. Sangle Ashok, Mr. Bhamre and Mr. Sable Prashant for their co-operation during laboratory work.
I am very grateful to my friend Mrinmayee Datar for her valuable help in compiling this research work in the form of writing. I thank Augustine Arulraj, Mrinmayee Datar, Victoria Bhalerao, Rebeka, Monica, Geetanjali, Benjamin, Sunita and Michael for listening to stories of my fieldwork and misadventure. I thank Fr. Terence D’Souza for his prayers and blessings.

I am deeply indebted to my husband Mr. Swapnil Thorat for assisting me throughout this research work. I thank him for encouraging me when I was about to give up, being my strength throughout this research work, and most of all for always believing in me.

I specially thank my mother-in-law Mrs Manisha Thorat for all her co-operation, sacrifices she made during preparation of drafts of this thesis. I thank my father-in-law Late. Mr. Prakash Thorat for his blessings.

I thank my aunt Mrs. Kusum Bhalerao for the encouragement and love she bestowed on me.

At the end I thank my parents Mr. John Kharat and Mrs Shobha Kharat for their benevolent love and support throughout my life.

Miss. Agnes John Kharat
(Research student)
