ACKNOWLEDGEMENT

I wish to record my deep sense of gratitude to Dr. I.L. Shrivastava, Head, Department of Agricultural Economics, Kulbhaskar Ashram Post Graduate College, Allahabad, on whose inspiration this piece of work was undertaken. His constant encouragement, valuable guidance and ever willing help was the driving force behind completion of this study.

I also wish to record my great indebtedness to my friends Dr. Gulab Nath Singh, Agricultural Economist, C.S. A., University, Kanpur, Dr. Jagdish Prasad Mishra, Associate Professor, N.D. University, Faizabad, Dr. K.N. Pandey, Technical Officer, Allahabad Bank, Dr. Ram Kirti Singh Kushwaha and Dr. Anant Ram without whose help and encouragement it would not have been possible to fulfil this task.

I am equally indebted to my Principal, Shri B.K. Misra, who ungrudgingly provided me all the facilities to make this work possible and was a constant source of inspiration.

I shall be failing in my duty if I do not make mention of all my colleagues and friends whose good wishes and encouragement kept my spirit high and momentum steady.

Finally, I thank my parents without whose blessings, this work would have not been possible. Thanks are also due to all other members of my family who constantly endeavoured to help and inspire me in all possible ways.
