ACKNOWLEDGEMENTS

I take this opportunity to express my sincere thanks and gratefulness to the authorities of the University of Poona for favouring me by granting Research Fellowship for the last 2 years, without which I could not have been able to complete this research work.

I warmly thank the officials of the Libraries at the University of Poona and the Servants of India Society, Poona for their patience with me especially Mr.Hingawe, Mr.Pethe, Mr.Mehendale and Mr.Sowani. They helped me to much provender, ample and excellent; I hope they will not be disappointed by use I have here made of it.

It was my honoured privilege to be guided by Dr.N.R. Deshpande, Head of the Department of Politics, University of Poona. I would rather like to remain forever in his debt than to thank him for his able and kind guidance. I have no words to express adequately how invaluable has been his guidance.
