ACKNOWLEDGEMENTS

At the beginning of my doctoral research, I could barely foresee how much I was to mature and gain intellectually in the years to come. It is impossible to thank enough everyone who has been of help over the past four years. It has been truly an honor and a pleasure to be a part of such a vibrant community of researchers, faculty, students, and friends, and I can make only a rough attempt to express my appreciation.

Foremost of them all is my Research Director, Guru and Philosopher Dr. G.Venkateswara Rao M.Tech, PhD. Department of Information Technology, GITAM Deemed to be University, Visakhapatnam, for their valuable guidance, untiring help and whole hearted co-operation in all respects. His valuable suggestions in the formulation of Algorithms’ Design and analytical view in editing the manuscript are appreciable which helped in the successful completion of this work. His scientific approach of looking at the things, disciplined life and academic excellence are several sources of inspiration for me.

The author wishes to express his sincere thanks to Prof. K.Lakshmi Prasad, Principal and IRC Chairman, GIT, GITAM Deemed to be University, Visakhapatnam, for his valuable cooperation and timely help and suggestions.

The author wishes to thank Dr. K. Thammi Reddy, Professor and Head, Department of Computer Science and Engineering, GITAM-Deemed to be University, Visakhapatnam, for their help and encouragement during the course of this work.

The author extends his sincere thanks and gratitude to Dr. P.V.Nageswara Rao, Professor of Computer Science and Engineering for their constant encouragement and moral support.

I would like to express my gratefulness to thank Dr. G.Appa Rao, Professor, Department of Computer Science and Engineering, GITAM Deemed to be University, Visakhapatnam, for their help and support.
The author extends his sincere thanks and gratitude to Dr. G.V.Swamy, Dr. K.Srinivasa Rao, Prof. T.Sitamahal Lakshmi, Prof. Y.Radha, Prof. R.Sireesha, and Prof. Ch.Shanthi for their constant encouragement and moral support.

The author wishes to express his sincere thanks to Dr. M.V.V.S Murthy President, GITAM Deemed to be University, Visakhapatnam, for providing excellent facilities and for all the encouragement to carry out this work.

The author wishes to express his sincere thanks to Dr. P.V.S.L.Jagadamba, Sri D.Dakshina Murthy, Secretary and Correspondent, Gayatri Vidya Parishad – School of Engineering, for their valuable concern and all the encouragement to carry out this work.

The author feels it as a great privilege to thank Dr B.Sujatha, Professor and Head, Computer Science and Engineering, Dr.T.V.Prasad, Principal, Godavari Institute of Engineering and Technology (A) for the encouragement and members of the management Sri .Sasi Kiran Varma, M.D.,GIET Group of Institutions.

The author wishes to express his sincere thanks to Mr M.Srinivasa Chakravarthy, colleagues and Student friends who extend invaluable Co-Operation and help at various stages of this research work.

The author takes his privilege to express his heartfelt thanks and gratitude to his parents and grandparents Sri P.Rama Rao, Smt Ganga Bhavani and Sri K.Satyanarayana, Smt.K.Satyavathi respectively who are the constant source of inspiration and encouragement. The author appreciates all their sacrifices.

The author wishes to express his warmest appreciations to his wife Smt P.Rajya Lakshmi and son Chi. Sathwik for their love and cheerful support throughout this work, sisters, brother-in-law and other friends for creating congenial atmosphere during the course of this work. Finally, the author is very much grateful to the acts of Almighty.

P.SRI RAM CHANDRA
