ACKNOWLEDGEMENT

It gives me great pleasure to extent my thanks and immense gratitude to my supervisor, Dr. Sanjula Baboota for encouraging me to take this project and helping me to complete this task, under her supervision and guidance. Her scientific acumen, logical thinking and patient hearing have helped me in successful completion of my work. Her guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph. D. study.

I would like to express my heart-felt gratitude to my co-supervisors Dr. Javed Ali for their unending zeal and suggestions during the period of research work.

Prof. Asgar Ali in his capacity as Head, Department of Pharmaceutics and Dean, Faculty of Pharmacy, is acknowledged for providing necessary facilities for completion of the research work.

I express my sincere thanks to our Vice Chancellor, Dr. G. N. Qazi and research advisor Dr. C. L. Kaul, for their guidance and priceless suggestions.

I am highly grateful to UGC, Gov. of India, for providing the fellowship for the Ph. D programme in Pharmaceutics and ICMR, India for providing travel grant for presentation in abroad.

I owe my sincere thanks to Prof. R.K. Khar, Dr. Gaurav Kumar Jain, Dr. Farhan Ahmed, Dr. Kanchan Kohli, Dr Jasjeet Kaur, Dr Geeta Chawla, and Dr. Alka Ahuja for their constant help and kind co-operation.

I would also like to convey my heartiest gratitude to Prof. Shashi Wadhwa and Mrs. Chanda, AIIMS for their invaluable help in conducting Transmission Electron Microscopy. Also I express my thanks to Mr Manish, INMAS and Bibhu Prasad Panda, Jamia Hamdard for their help during cell lines studies. Also I express my thanks to the staff of SMITA Laboratory, IIT Delhi for their invaluable help in conducting Atomic Force Microscopy.

No words are enough to express my thanks to Mr. Ravi Pratap, Paritosh Kunwar Singh, Priyadarshan Saraogi, Anurag Gupta, Hemant, Ms Bipasha, Ishita, Faraha, Diana, Pankaj, Rabea, Vinay, Manoj, Akash for their invaluable advice and friendly help during my project. I would also like to thank all my friends and labmates who helped me throughout my research work.

The list will not be complete without mentioning a number of people who inspite of being seniors, juniors and batch mates provided help, love, encouragement, counsel and inspiration during all these times. Names worth mentioning include Mr. Prashant (Bhaiji), Mr. Dinesh, Virendra Pratap, Dr. Vinya Patel, Ms. Shrestha, Mr. Musthaba, Mr. Sunny Chopra, Mr. Abdul Wadood, Aatish, Dillip, Tareq, Mussarat, Mukhtar, Ravindra, Rishi, Intakhab Alam, Gulam Mustafa, Pramod, Ms. Sabna, Malaye.
I am also thankful to my seniors Mr. Nitin Saigal, Ms. Bhawna, Mr. Bhulan, Punit Kapoor, Dr. Hema Chaudhari for their support and priceless suggestions.

I shall remain indebted to staff of various libraries Central library, Jamia Hamdard, National medical library, INSDOC for providing me necessary facilities to carryout the literature survey.

I also undertake this opportunity to thank non teaching staff (Mr. Nadeem and Mr. Shavi) for their immense help and availability during this project. I am thankful to Dr. Abid, Mr. Mushtaq, CIF Incharge, Jamia Hamdard for their help in handling of analytical equipment.

Finally, this project would lose relevance, if I do not mention that I am indebted from the core of my heart to My Loving Parents, who inspired me throughout my project. They have been my mentor in every way and guided me constantly; their sincere inspiration and liberal co-operation have made this project a success.

I owe special debt to my brother in law, Mr. Manoj Kumar, Mr. Rahul Rathour and dearest sister Sunita, Rekha for their support and encouragement. I would also thanks to all my relatives for their timely support and inspiration.

My sisters Reena, Sandhya and brother Akash, Aryan have been the driving source throughout my research work. I thank them for believing in me, listening to my complaints and frustrations, for sharing my thoughts, and for reminding me that my research should always be useful and serve benefit for all.

Above all, I would like to thanks my soul mate Sangita and my son Shaurya for their personal support and great patience at all times.

Anil Kumar
