Acknowledgement

I find my words inadequate to express my whole hearted and prayerful gratitude to God Almighty, the source of all wisdom and power for leading me kindly in each and every stage of this research.

With great respect, I express my sincere gratitude to my research guide Dr. Baby M.D for his valuable guidance and suggestions rendered throughout the course of this work. But for his guidance, advice, encouragement, motivation, and patience, I would not have been able to submit this research work in time in the present form. He is a man of good faith, a perpetual source of inspiration and paternal care. I consider it my good luck to work under his able guidance. I also express my thanks to late Prof. Alicekutty Dominic (W/o Dr. Baby M.D), for her caring and motherly affection.

I express my sincere gratitude to Dr. K V Thomas (Head of the U G Department of Commerce, Marian College, Kuttikkanam) for his timely help, patience and professional support in the crucial phases of this work. He spent lot of time for correcting and editing my research work and it helped me to modify the thesis in the present form.

I am extremely thankful to Dr. Jojo K Joseph (Vice Principal, Marian College Kuttikkanam) who inspired me to pursue this research topic and took pain to read my draft thesis and give suggestions for improvement. I am also thankful to Dr. Santhimol M.C (Assistant Professor, Government College, Manimalakkunnu) for her valuable help throughout my research work.

I am thankful to Dr. M M George (Former Head of the Research and Post Graduate Department of Commerce, St.Dominic’s College, Kanjirapally) for taking the pain to read my draft thesis and provide me with the valuable suggestions. I express my thanks to Prof. Anish Thomas (Assistant professor, Department of Commerce, Deva Matha College, Kuravilangadu), for his patient reading of my questionnaire and valuable suggestions and support throughout the thesis.

I am thankful to Dr. B Johnson (Associate Professor, University of Calicut) for his valuable suggestions during the time of the interview for upgrading JRF to
SRF. I am also thankful to Dr. Gabriel Simon Thattill (Associate Professor, Department of Commerce, University of Kerala) for his valuable suggestions.

I express my sincere gratitude to Rev. Dr. James Philip (Principal) Dr. Alexander, Dr. V. A Emmanuel (former Principals) Dr. Mendal Jose (Head of the Research and Post Graduate Department of Commerce), Dr. K S Kurien (former Head of the Research and Post Graduate Department of Commerce) St.Dominic’s College, Kanjirapally for providing me necessary assistance to do my research on full time basis. I also thank all the faulty members and research scholars of Research and Post Graduate Department of Commerce, St.Dominic’s College, Kanjirapally and administrative staff at St.Dominic’s College for all the support and encouragement.

I am extremely grateful to Rev. Fr. James Kozhimala (Manager, Marian College Kuttikkanam) for his support, motivation and blessings from the starting stage to the end of my research work. I am also thankful to Rev. Fr. Ruban J Thannickal (former Manager), Rev. Dr. Roy Abraham (Principal), Dr. Ruble Raj (former Principal) of Marian College Kuttikkanam for their motivation and support. I also thank for the support and encouragement given by all the faulty members especially Dr, K. V Thomas (Head, M.Com PGDM Department), Mr.Jaymon M R and Mr. Nebu Cherian (M.Com PGDM Department) and administrative staff of this college.

I acknowledge with thanks the University Grants Commission for the fellowship (JRF and SRF) awarded to me, which was helpful for the completion of the research.

I also express my gratitude to the coordinators of various workshops on research methodology and statistical data analysis and for giving me an opportunity to participate in it. I also take this opportunity to acknowledge my gratitude to the resource persons of various workshops which I attended especially Dr. K. Kalyanaraman (Former Professor, Department of Statistics, University of Kerala), Dr. Ravanan (Department of Statistics, Presidency College, Chennai), Dr. R. Kasilingam, (Associate Professor, Department of Management studies,
Pondicherry University) for making me familiar with statistical analysis and to conduct the analysis myself.

I express my sincere gratitude to Dr. Augustine Josep h (former Associate Professor, Department of English, St. Thomas College, Pala) who has done the language correction in a short span of time and made valuable suggestions.

I express my thanks to the library staff of IIM Calicut, Mahatma Gandhi University, university of Kerala and Centre for Development Studies Trivandrum, St. Dominic’s College Kanjirapally, Marian College Kuttikkkanam, Marian International Institute of Management Kuttikkkanam for permitting me to use the library.

I express my thanks to the director and staff, School of Gandhian Thoughts and Development Studies for their support in the Pre-Ph.D presentation. I also thank all the staff of Ph.D and JRF section in the MG University.

I express my gratitude to the managers and staff of various Lead banks, SLBC, Triavndrum, RBI, Kochi, loanees association presidents, and my former students who work in different banks especially Simon N Samuel and Melwin Mathew for providing the necessary data and sparing their valuable time to discuss various aspects of the study. I am also thankful to the education loan borrowers and bank managers who co-operated with me by filling the questionnaires as their valuable information has helped me in the analysis of data.

I express my thanks to Anish Sebastian, V 4 U, Kottayam for his help in printing and binding. I remember with great affection, all my friends, relatives and well-wishers for their interest and inspiration throughout this work.

I express my heartfelt gratitude to my mother Alice Sebastian, my brother Johnpaul P Sebastian, my sister Sansea Boby and my brother- in- law Boby Joseph, for all the sacrifices they have made. I dedicate this work to the fond memories of my late father P.D Sebastian who was one of my motivators to achieve the UGC NET with JRF.

Shinta Sebastian
