ACKNOWLEDGEMENT

I take this opportunity to express my sincere thanks with whole-hearted gratitude and appreciation to Dr. A. Vinayagaram, Asst. Professor, Post Graduate and Research Centre, Department of Economics, S.T. Hindu College, Nagercoil for his outstanding academic guidance. He has made valuable suggestions and extended constant encouragement throughout the study which helped me to complete the research work in time.

I am highly grateful to Dr. V. Thiruselvan, Associate Professor and Head, Department of Economics, S.T. Hindu College, Nagercoil, for his support and encouragement for the completion of the thesis.

I want to deeply thank Dr. T. Chithambarathanu, Principal for his blessings showered on me in the submission of my thesis.

I specially acknowledge and thank the Management of S. T. Hindu College Association, Nagercoil for providing me the necessary infrastructure facilities for the successful completion of the research work.

I want to convey special thanks to all the faculty members of the Department of Economics, S.T. Hindu College, Nagercoil, for their support and encouragement which helped me to complete the study successfully.

It is my duty to extend my gratitude to the Officials in the DSO and TSO, Nagercoil, and Thiru Chandrasekaran, an official in the Department of PDS in relation to family cards, who provided me the required and essential data and information which were useful to assess the aspects related to secondary data.
I take this opportunity to thank the Librarians and the staff members of the ‘Centre for Development Studies’, Thiruvananthapuram; Manonmaniam Sundaranar University Library, Tirunelveli; S.T. Hindu College Library, Nagercoil; The Hindecon Research Centre Library, Department of Economics, S.T. Hindu College, Nagercoil and District Central Library, Nagercoil.

I thank Dr. S. Natarajan, (Rtd.) Department of Economics, Vivekananda College, Agasteeswaram for being an inspiration and for sharing his ideas in applying statistical tools wherever needed.

It gives me immense pleasure to thank my parent, husband, brother, sister and Madam Suseela for their financial help and continuous encouragement extended towards the successful completion of my research work.

I also want to record my sincere thanks to all the respondents who spent their valuable time to give me the necessary information and data for my research work.

My deep sense and heartfelt thanks to Mr. S. Velu and Mr. R. Murugan of Sri Vinayaga College Xerox, S.T. Hindu College, Nagercoil for the neat typing that brought up my thesis.

(B. ANUSHA)
