ACKNOWLEDGEMENT

I thank the Chancellor Dr. Ishari K.Ganesh, the Vice-Chancellor, Registrar and Controller of Examinations for giving me an opportunity to do Ph.D research at Vel’s University.

It gives me immense happiness to express my deep sense of gratitude to Dr. G. Balakrishnan, Research Supervisor and Former HoD of English, Vel’s University, for his timely support, constant encouragement and untiring guidance. I am thankful for his meticulous planning, and invaluable suggestions at all stages of preparation of the thesis which helped me in finishing the whole work systematically and within the time frame permitted by the university.

I would like to express my earnest thanks to all of my good friends here, though they cannot be mentioned by name.

I should express my thanks to all my family members for their care, concern and kindness to complete the research work successfully. It is difficult to repay the debt of gratitude I owe them all.

Above all, I thank the benign Almighty for his blessings.
