ACKNOWLEDGEMENT

First and foremost, I thank Allah, the most benevolent and ever merciful, for giving me the strength, inspiration and the inclination to pursue and complete this voluminous work.

It is an honor and pleasure to express my gratitude and to humbly acknowledge the support, guidance and encouragement I have received from my family towards the completion of this thesis. I owe special and heartfelt thanks to my father, Er. Jawed Zafar Azmi for his encouragement and for his unconditional support provided to me at every stage of my life. He has been a constant source of strength and inspiration. I warmly thank my mother, Mrs. Khurshida Bano and brother, Er. Shafqat Abdullah Khan for their motivation and constant unconditional support provided to me during the study.

I humbly and gratefully thank my research supervisor and mentor, Dr. Kushendra Mishra, Head, Department of Rural Management, Babasaheb Bhimrao Ambedkar University, Lucknow for his regular and continued guidance, encouragement, support and for his invaluable suggestions provided to me throughout the duration of my research. I consider myself very fortunate to have had such a helpful supervisor. His patience with my slow pace has indeed been incredible and I am thankful for his gentle persuasion towards hastening up my submission. In spite of his manifold accountabilities, he helped me to accomplish this research successfully. His moral support during the most difficult time of my life helped in making this feat possible.

I am deeply indebted to Dr. Taruna, Assistant Professor, Department of Rural Management, Babasaheb Bhimrao Ambedkar University, Lucknow for her moral support and motivation throughout this journey of completing the research.

I also express my gratitude to Dr. Ramesh Chaturvedi, Assistant Professor, Department of Rural Management, Babasaheb Bhimrao Ambedkar University, Lucknow who provided a continued direction and shaped up my research.
I also thank and appreciate the immense support of Dr. M. S. Khan, Associate Professor, Department of Rural Management, Babasaheb Bhimrao Ambedkar University, Lucknow and Dr. Abhilash Babu, Assistant Professor, Department of Rural Management, Babasaheb Bhimrao Ambedkar University, Lucknow.

I am also thankful for the entire library, infrastructure facility and other supporting resources provided to me to complete my research. Last but not the least, I wish to thank my colleague, Dr. Mohit Kumar for his instant help and support in providing me documents for reference throughout writing this thesis.
