ACKNOWLEDGMENT

First I express my deep feeling of gratefulness to my guide Prof. Milind M. Sardesai, for giving me the opportunity to work under his supervision. I give him a lot of gratitude for his constant support, encouragement and constructive guidance. The kind of exposure he has provided during the course will definitely help in my future studies. Thanks are also due to his patience and enthusiasm.

I am also thankful to Prof. A. S. Dhebe, Head, Department of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for providing necessary facilities required to undertake the present research work.

I express my sincere thanks to all my teachers Prof., D. S. Pokle, Prof. A. M. Chavan, Prof. A. B. Ade, Dr. N. B. Pandhure for their valuable suggestions and cooperation.

I am thankful to authorities of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for selecting me under University Scholar Fellowship Scheme.

My gratefulness in special goes to Prof. Sujata Bhargava, former Head and Prof. Nutan Malpathak Head, Dept. of Botany, Savitribai Phule Pune University, Pune for giving me permission to accomplish my research work at the department. I will always be thankful to them for supporting me. I am also thankful to Dr. Sirsha Mitra for permitting me to use her laboratory facilities.

I express sincere gratitude towards Kanchi N. Gandhi, Senior Nomenclature Registrar and Bibliographer, Dept. of Botany, Harvard University, for his substantial and strong guidance to solve nomenclatural issues of my research and providing some important references.

I am thankful to the authorities of herbaria AHMA, BAMU, BLAT, BSD, BSI, BSJO, CAL, CALI, DD, FRLH, FRC, SPPU, PBL, WII, K, l, G, P, BM, OXF, C, LINN, MA for providing access to examine the specimens and obtaining images of some important of them.
I deeply express my sincere thanks to Dr. K. M. Prabhukumar, (Senior Scientist, Centre for medicinal plant research, Arya Vaidya Sala, Kottakkal, Kerala), Dr. Anzar A. Khuroo (Senior Assistant Professor, University of Kashmir, J & K), Prof. S. Soosairaj (Dept. of Botany, St. Joseph College, Tiruchirapalli, Tamil Nadu) and his student P. Raja for their help during field visits and collection. I am also thankful to Dr. Rinku Desai for accompanying me during field visit.

My gratitude is also towards Dr. P. Laxminarsimhan, Dr. Subir Bandyopadhyay, Dr. A. K. Pradeep, Dr. Rajendra Shinde, Dr. Avishek Bhattacharjee, Dr. Mandar Datar, Dr. Ritesh Chaudhary, Dr. Sachin Punekar, Dr. C. R. Jadhav, Dr. Rani Bhagat and Dr. Abhay Salve for providing important references, essential specimen details from respective herbaria and valuable suggestions.

I am grateful to Dr. Navendu Page for sharing his field experience which helped a lot in my research. I am also thankful to Dr. Mayur Nandikar and Dr. Sharad Kambale for their imperative inputs in nomenclatural issues. I am also thankful to Mr. Pravin Kale for providing herbarium specimen images.

I express my most intense appreciation to my colleagues Dr. Ravikiran Govekar, Dr. Ramchandra Gore, Dr. Tukaram Kamble, Dr. Gajanan Tambde, Dr. Shantanu Chavan, Dr. Rupali Taur, Mrs. Charuta Gole and Miss. Anita Kindre, Miss. Shital, Miss. Manasi for their support, encouragement, eagerness to help, and patience. I am thankful to them for accompanying me during field visits.

I am also grateful to Dr. Tejashri Ghate for her valuable suggestions in my research, encouragement and moral support. I also express my appreciation to Mr. Satish Maurya for accompanying me during field visits and his help in molecular taxonomic analysis. I am also thankful to Mr. Arun Prasanth R. for his considerable help in collection and field visits. Thanks are also towards Mr. Shubham Thombare and Mr. Mayur Bhagwat for helping me in collection.

I am thankful to my friends for helping me in several occasions. I wish to be thankful to Dr. Vaibhav, Dr. Megha, Dr. Rohit, Seema, Laxman, Manisha, Varsha Paithane, Varsha Bhalerao, Arjun, Nilesh, Nishad, Vijayta, Amol, Rupali, Pranita, Balaji, Bharat and Sachin. I am also thankful to Dr. Shrikant Mane, Mr. Baburao Dhokne, Mr. Rushikesh and other non-teaching staff of the department for their help during research work.
I also express thankfulness to my friends Rucha, Aarti, Swaranjali, Oshin, Pratik, Shubhangi, Shreyas, Kaustubh, Rohit, Smita, Pranoti, Bhushan Dighe, Tai, Sarika, Mahadev, Bhushan, Yogesh, Seema, Mrunal and Snehal for helping me during my research work. I am thankful for the cooperation and moral support they have given.

I thank my friends Swati Mapari, Priya Thole, Komal Joshi, Riya Rajput, Sarika Patil and Archana Pote for the encouragement and moral support. I also express my thanks to Anita Tiknaik, Sadhna Salve, Smita Khare and Yogita Rahane for being with me whenever I needed them.

I would like to thank to the people who helped me in direct and indirect way.

I express special appreciation from depth of my heart to my parents Pratibha & Vilasrao Nimbalkar, in-laws Lata Shelar & Madhavrao Shelar and Anil Shelar, they supported me in generous way to accomplish my research work. Without their support it couldn’t possible to reach here. I extend my heart-felt thanks to my younger sister Harsha for love and incredible support she has given. I am also thankful to my brothers Manoj and Maloji for their help during field visits. I am thankful to my daughter Srujan for her love and for understanding me whenever I was away from her during my research. And last I like to appreciate my husband Walmik for being pillar of my doctorate and for unconditional support he has given, being with me during field visits. I couldn’t achieve the things I got without his help, encouragement, patience and support.
