ACKNOWLEDGEMENTS

First and foremost I would like to thank God Almighty for his infinite blessings in all spheres of my life. I then take this opportunity to express my appreciation to all people and institutions which made it possible for me to complete this thesis.

I am very grateful to my research guide Dr. Sanjeev Kumar K.M. for his patient guidance, reassuring support and encouragement. I am also thankful to Karnataka State Akkamahadevi Women’s University, Torvi, Vijayapura for giving me the platform to conduct research and submit a meaningful doctoral thesis.

I would also like to express my sense of gratitude towards National Institute of Fashion Technology (NIFT) for sanctioning my study leave at the appropriate time, as this leave helped me to focus on my research and complete my doctoral programme. I also am thankful to all my colleagues at the National Institute of Fashion Technology, Bengaluru for their kind support (moral and facilitating) especially my department colleagues - Dr. Gulnaz Banu P. and Dr. Sanjeev Malage for their invaluable suggestions and Ms. Nethravati T.S. and Mr. Pratik Ghosh for their gentle concern.

This doctoral thesis has been made possible mainly owing to the unconditional love, care and support of my parents, husband and children to whom I will, forever be indebted and, to the blessings of my late grandparents especially my grandfather who envisaged my doctoral degree. I convey my deepest and most profound gratitude to them.
