ACKNOWLEDGEMENT

It is an immense pleasure to thank the many people who made this thesis possible!

Certainly, this research work would not have been completed efficiently and swiftly without the most valuable support, guidance and sincere efforts of my beloved guide Prof. (Dr.) P. D. Chavan and Dr. D. K. Gaikwad. So, this is the best occasion to express my deepest sense and special thanks to them. It is difficult to overstate my gratitude towards them for their enthusiasm, inspiration and great efforts to explain things clearly and simply. Throughout my research period, they provided constant encouragement, sound advice and lots of good ideas.

It is also my duty to express my great thanks to Prof. S. S. Kamble, Prof. L. J. Bhosale and Prof. B. A. Karadge, Prof. G. B. Dixit Former Heads, Department of Botany for their constant encouragement and suggestions during the research.

I owe heavy debt of gratitude and indebtedness to Prof. S. R. Yadav, Dr. N. S. Chavan, Dr. M. M. Dongare, Dr. V. S. Rathod, Dr. N. B. Gaikwad, Dr. R. V. Gurav, Dr. K. B. Pawar, Dr. A. B. Sabale, Dr. S. R. Ghatage, Dr. Nimbalkar, Dr. Lekhak, Dr. Ghane for their suggestions and cooperation. Word fail short to thank Mr. Kagle and family, from village Herle for their kind help.

The friends play a vital role in the academic life. I take this opportunity to thank Dr. Vijaya, Dr. Nivas, Dr. Uday, Dr. Babu, Dr. Swarupa, Dr. Pratishtha, Dr. Manasi, Dr. Surekha, Dr. Ujwala, Shubhangi, Dr. Reshma, Dr. Rahul, Dr. Shakil, Dr. Vishal, Dr. Sajid, Dr. Munatal, Lokhande madam, Awate madam, Patil Sir, Niranjana, Aahilya, Smitha, Sujata, Nimra, Seema, Vaishali, Firdose, Patwardhan madam, Shinde Madam, Dethe sir, Ulka madam, Jayshree, Sachin, Anju, Swapnaja, Mayoor, Kumar, Sharad, Aruna, Anil, Nilesh, Jay, Parthraj, Annapoorna, Shital, Komal, Dr. Subhash Kudale and Umesh Pathak who provided every help throughout the phases of this study for achieving the results.

I am very much thankful to Dr. Fernandes, Adake madam, Mr. Kiran Powar, Mr. Vatkar, Mr. Parte for their kind cooperation. On this occasion, I put on record, my thanks to garden maintenance staff, non-teaching staff of Botany Department and staff of CFC and USIC Shivaji University, Kolhapur. I also offer my sincere thanks to Anchrom Laboratories, Mumbai for availing their services.
This research work would never have been possible without the support, encouragement and love from my lovely husband Shridhar and my beloved children Tanishka and Nihira who have been my constant source of happiness and affection. I would like to express my special thanks of gratitude to Joshi family especially Aai and Baba who took every pain to make this dream happen, for their fine care and encouragement to achieve this goal, because of which this present thesis is seeing the light of the day.

I wish to present my special thanks to Atya, kaku and Kaka for their constant support. Words fail short to thank Pooja, Koustubh, Pushkar, Vimudha and Dnyanada.

I express my great sense of gratitude, respect and love to my Kulkarni family especially Aai and Tatya who made me capable of what I am now, Late Bapu, Late Shubhangikaku, Anna, Jayashrikaku and Dadakaka, all My loving Dadas and Vahinis, my nieces and nephews Rohit, Maithili, Mihir, Vallari, Sanjali, Mayank and my sisters Shilpa and Trupti. I would like to show my gratitude to Ashtekar family especially Shilpa, Aaradhya, Omkar, Kaku and kaka for their caring support.

I gratefully thank Chavan and Gaikwad family for their moral support and encouragement during my stay at Kolhapur. I thank the Almighty for giving me the strength, peace of mind and patience through all this piece of research work.

Finally, I would like to thank all those who have helped me knowingly and unknowingly in the accomplishment of my end goal.

Mrs. Asmita Shridhar Joshi
