ACKNOWLEDGEMENT

Thesis work has been carried out under the kind supervision of Dr. S.D. Pandey, Head, Department of Physics, P.P.N. College, Kanpur, whose continuing encouragement and lot of valuable suggestions and advices are gratefully acknowledged.

Discussions with Dr. K.M.K. Srivatsa, Dr. V.N. Sarin, Dr. K.K. Tewari and Dr. Shripal have been important, throughout this work and express my thanks to them.

Thanks are due to all of my colleagues and friends, specially Dr. Ram Bilas, Dr. R.P. Rathore and my elder brother Sri Bipin Sharma for their kind help.

Thanks are also due to the authorities of P.P.N. College, Kanpur and my teachers there, for constant encouragement.

Financial assistance from the Council of Science and Technology, Lucknow, U.P., is gratefully acknowledged. Neat typing of manuscript by Sri R.B. Katiyar is also acknowledged.

Finally, I wish to thank all of my family members, specially, my uncle Dr. M.C. Sharma and aunti Smt. Usha Sharma for their encouragement. I dedicate this thesis to my late grandfather and Tauji without their inspiration, it would have been impossible for me to take up this work.

[ANIL KUMAR MISHRA]
