**HIGHLIGHTS AND SUMMARY:**

I. **INTRODUCTION TO CEMENT INDUSTRY**  
   - (a) Origin of the Industry in India.  
   - (b) Historical Developments.  
   - (c) Growth of Cement Industry:  
     - Pre-Independence Growth.  
     - Post-Independence Growth.  
     - Growth during Five Year Plans.  
   - (d) Regional and Statewise Distribution of Cement Plants.  
   - (e) Regional and Statewise Production & Despatches.  
   - (f) Performance of Cement Companies.  
   - (g) Distribution of capacity according to Ownership.  
   - (h) Varieties of Cement Produced in India.  
   - (i) Cement Machinery Manufacturers in India.  
   - (j) Use of Refractory in Cement Industry - a view.

II. **PROBLEMS FACED BY CEMENT INDUSTRY DURING PLAN PERIOD:**  
   - (a) Shortage of Raw Materials.  
   - (b) Short Supply of Coal.  
   - (c) Power Cut.  
   - (d) Short supply of Rail Wagons.  
   - (e) Labour Trouble.  
   - (f) Mechanical Trouble.  
   - (g) Other Problems.

III. **PRODUCTION OF CEMENT AND ITS DEMAND IN THE COUNTRY:**  
   - (a) Factors Fluencing Demand for Cement.  
   - (b) Regional Production of Cement.  
   - (c) Production of Cement in Selected Countries

<thead>
<tr>
<th>IV. Capacity Utilisation</th>
<th>135 - 169</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Utilisation of Capacity during Plans.</td>
<td></td>
</tr>
<tr>
<td>(b) Regionwise Analysis of Capacity Utilisation.</td>
<td></td>
</tr>
<tr>
<td>(c) Capacity Utilisation according to age of Plants.</td>
<td></td>
</tr>
<tr>
<td>(d) Capacity Utilisation according to size of Plant.</td>
<td></td>
</tr>
<tr>
<td>(e) Capacity Utilisation according to process.</td>
<td></td>
</tr>
<tr>
<td>(f) Capacity Utilisation according to management Group.</td>
<td></td>
</tr>
<tr>
<td>(g) Supply of Wagons and Its Utilisation.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>V. Location of Additional Capacity</th>
<th>170 - 184</th>

### DISTRIBUTION PROBLEM:

**VIII. PRICE AND DISTRIBUTION OF CEMENT:**

- (a) Cement Control Order
- (b) Cement Controller
- (c) Tariff Commission Enquiry
- (d) Licencing Policy
- (e) Partial De-Control
- (f) Lav Raj Kumar Committee
- (g) Ghosh Committee
- (h) Regional Consumption of Cement
- (i) Distribution of Cement by Rail/Road

**IX. JUTE BAGS PACKAGING - A PROBLEM:**

- (a) Introduction
- (b) Various Types of Jute Bags
- (c) Drawbacks in Other Sorts of Packagings
- (d) Best Packaging for Cement

**X. FINANCES OF CEMENT INDUSTRY:**

- (a) Long Term & Short Term Sources of Funds
- (b) Requirement of Finances
- (c) Source of Capital

**PROGRESS MADE BY CEMENT INDUSTRY DURING PLAN PERIOD:**

**XI. TECHNOLOGICAL TREND IN CEMENT PRODUCTION:**

- (a) Optimum Plant Capacity
- (b) Conversion from Wet Process to Dry Process
- (c) Process Employed
- (d) Pre-Calciner Technology
- (e) Utilisation of Waste Material
- (f) Electronic Packer - a New System
- (g) QCX System
- (h) Pollution Control by ESP
XII. VARIOUS INSTITUTIONS PROMOTING BUSINESS, RESEARCH & DEVELOPMENT IN CEMENT INDUSTRY:
(a) Cement Manufacturers' Association, Bombay.
(b) National Council for Cement and Building Materials, New Delhi.
(c) Gunny Trades Association, Calcutta.
(d) Others, if any.

XIII. MINI CEMENT PLANTS:
(a) Introduction
(b) Plant Strength and their Production
(c) Distribution of Cement Plants.

XIV. STANDARDIZATION OF CEMENT:
(a) Introduction
(b) Bureau of Indian Standards

XV. STANDARDIZATION OF BAGS FOR CEMENT PACKAGING:
(a) Introduction
(b) Indian Standard of Bags
(c) Methodology of Preparing Standards for Bags
(d) ISI Certification Mark Scheme.

XVI. IMPORT/EXPORT OF CEMENT - A GENERAL VIEW
Problems & Prospects of Cement Exports

XVII. VARIOUS REMARKABLE ACHIEVEMENTS MADE BY CEMENT PLANT AND THE HIGHLIGHT OF VIIIITH FIVE YEAR PLAN

- BIBLIOGRAPHY
