ACKNOWLEDGEMENTS

‘Great men tell you how to get where you’re going; greater men take you there.’

At the outset, I express my deep sense of gratitude to Dr.S.P.Godia, Member, Public Service Commission, U.P & Ex-Head, Department of Physics, VSSD College Kanpur, to whom I will be ever Indebted, for making it possible for this work to be completed. I am indeed grateful for his constructive guidance and constant encouragement.

My regards and thanks are due to Dr.O.K.Harsh, DSc., since it is under his supervision that I undertook this research work. I thank him for his valuable suggestions and constant cooperation.

I am grateful to Dr.R.P.Verma, Principal, Feroze Gandhi College, Raebareli, Prof. M.P.Rajpoot, Head, Physics Department, Dr.Ratna Sircar and other colleagues of my college for their constant encouragement.

It is a pleasure to thank many of my friends and well wishers without whose help I could not have traversed this path. Thanks to Dr. Rajat Moona, IIT Kanpur for his constant and timely help, Dr.Hemalata, IIT Kharagpur, for introducing me to Matlab and to Dr.A.C.Pandey, Allahabad University, for instilling confidence in me when I needed it. I thank Dr.Anil Saxena and Mukta Saxena for their valuable friendship and for always being there whenever I needed them.
My heartfelt thanks go to my husband Dr. Rajender Sharma, who is my best critic and trusted advisor. He has always been a pillar of strength and a source of inspiration, standing by me through thick and thin. I give him credit for pushing me through all the difficult times.

My two lovely daughters Nikita and Tanvi deserve all thanks for being patient and bearing with me.

It is because of the constant shower of blessings and prayers of my dear parents and all my elders that I have been able to accomplish this task. Thanks to my Dearest brother Shashi and Santosh, for driving me constantly and having faith in me.

Finally, I would like to thank Mr. P.K. Saxena, Senior System Analyst, DIO, Raebareli for providing me information from the internet and guiding me for the proper and optimum use of the computer.

It is indeed the Divine Grace of Ma Gayatri and blessings of Gurudev that I could overcome all difficulties and bring this work to conclusion.
