ACKNOWLEDGEMENT

Behind every success there is certain an unseen power of Almighty God but an aim is the eternal condition of issues. Which is attainable at perfection in everything by who persevere with association of their predecessors, teachers, family members, friends and colleagues. Words seem hopelessly inadequate and limitations of diction stand quite prominent in the content of my magnitude of feeling.

I visualize a rare moment of pride and pleasure to extend my sincere and heartfelt gratitude to my guide Dr. C.K. Srivastava, Reader, Department of Physics, D.A.V. College, Kanpur for inspiring and talented guidance, prudent suggestion, constructive criticism, mellifluous nature, everlasting enthusiasm and scientific orientations of the research work which has made this manuscript a memory of life. It was indeed a great pleasure to work under a man of such great zeal, enthusiasm and devotion to the subject.

I take as a privilege to reword my deep sense of reverence and thanks to Dr Rajeev Shukla, Reader, Department of Chemistry, VSSD College, Kanpur. Words can never express the indebtedness but I dare to take this opportunity to pay my deepest sense of gratitude and heartfelt thanks to respected Shukla Sir.

Words at my command will not be adequate to express my deep sense of reverence and heartfelt emotions to my wherable grandfather Late Sri. Parashu Ram Yadav and grand mother Late Smt. Sukhrani Devi, who displayed enormous strength, courage and perseverance in helping me to complete my degree. Without there love, inspiration and moral support, their dream would not have been materialized.

My heartfelt emotions from my core of heart and due to my parents Sri. J.N. Yadav, Ex-Principal, S.R.S. N.N. Inter College, Kanpur and Smt. Pushp
Lata Yadav and my in-laws Mr. M. S. Yadav and Smt. Draupadi for their love, inspiration and moral support throughout my study period and best wishes without which it would have not been possible for me to complete this work. My sincere regards to my sister Smt. Shivani Yadav and brother-in-law Sri Vijay Yadav. Special thanks goes to my loving daughter Bulbul for her enormous support and maintenance of congenial environment in the home during the period of present study.

It is my personal conviction that no amount of space or words would suffice to express my over in debt-edness and appreciation to my husband Sri. Uday Yadav who always stood by my side like a shadow whenever need arouse. Without his affection and support it was impossible to complete this difficult task.

I wish to extend my sincere thanks to my co-workers Kirti Srivastava for their valuable suggestion, timely help and keen co-operation throughout the completion of this work.

My thank are extended to Mr. Pawan for neat and mistakeless type setting of this manuscript.
