Acknowledgement

I have great pleasure in expressing my deep sense of gratitude to Professor A. K. Nigam, Department of Statistics, Lucknow University, Lucknow whose inspiring guidance has come to me as blessing of God and it was through his indispensable encouragement and invaluable support that has come a long way in shaping my present thesis.

I am thankful to the Principal, D.A.V. College, Kanpur for permitting me to pursue research work. I am also thankful to Dr. M. K. Singh, Head, Department of Statistics and Dr. S. B. Mathur, Head, Department of Mathematics, D.A.V. College, Kanpur for their valuable suggestions and holding discussions.

I also express my thanks to Head, Computer Centre, I.I.T., Kanpur for permitting me as an outside user of computer facility. I am highly thankful to Mr. Y.D.S. Arya and Mr. V.S. Seal, Computer Centre, I.I.T., Kanpur for their valuable assistance and support.

I am also thankful to Dr. H. K. Nigam, Department of Agricultural Economics and Statistics, C.S.A. University of Agriculture and Technology, Kanpur for providing data sets of his thesis.
I wish to extend my sincere regards to my most respected mother Smt. Kunti Devi Misra and it was due to her blessings that I could complete the work. I also express regard to my elder brother Sri Gopal Charan Misra who helped me in several ways. I heartily express appreciations to my wife Smt. Sudha Misra who made a firm and whole hearted commitment to my cause and shouldered the responsibilities of household and my son Ashutosh, daughters Sukirti and Preeti for keeping me in good mood and providing the most congenial atmosphere at home.

Finally, I express my thanks to everybody who helped me directly or indirectly in completion of the thesis.
