ACKNOWLEDGEMENTS

I am deeply indebted to my supervisor Dr. Shripal, Reader, Department of Physics, P.P.N. College Kanpur. It is an enlightening experience to learn under his caring attitude. With sincerity and honesty, I express my profound sense of gratitude to my teacher and supervisor. His capability of reducing complexities to simpler forms has enormously helped me in the smooth progress of this work.

Thanks are also due for Department of Science and Technology (DST), Ministry of science and technology, Govt of India, New Delhi for giving financial assistance for this work.

I would also like to express my gratitude to Dr. Ashok Kumar Ex-Principal, P.P.N. College Kanpur, for encouragement along with the requisite facilities. Thanks are due to the teaching staff of Dept. of Physics, PPN College Kanpur for encouraging catching the goal.

I can not forget Mrs. Sugandha Badhwar, Mrs. Shailja Dwivedi and other members of our research group for their necessary assistance time to time.

Thanks are also due to the non-teaching staff of Dept. of Physics, PPN College Kanpur for necessary co-operation.

I can not forget the gratefulness and the elderly affection rendered by Smt. Shalini Sharma, during the entire course of my work.

After this, I would like to thank my uncle P.K Mishra for there necessary support. The inspiration and motivation provided by my parents Smt. Shashi Prabha Pandey and Shri Daya Sindhu Pandey for going in the direction of becoming a Ph.D scholar. It is beyond my words to thank my dear parents for the opportunity they have provided me and for affection and unconditional support bestowed on me throughout my carrier. I sincerely thank to my younger brother Mr. Anshuman Pandey for encouraging and catching the goal.

My heart felt appreciation is expressed to my husband Mr. Gopal Krishna Awasthi for their selfless, caring and committed support. I would also like to mention my little baby Prakrati Awasthi for her cool nature so as to avoid any hindrance in this work.

In the last but not the least I express my respectful and heart full regards and thank to Shri S.P. Awasthi and Smt. R.K Awasthi my parent in-laws for their blessings.

Finally, this work has been successfully completed with blessing of my Dadi and Baba. This area of research was introduced me with the great blessing of nature.
