I am also very grateful to my loving mother late Smt. Savitri Devi, though she is now no more, her blessings have always been with me.
This achievement is also the part of her dreams that she had dreamt for me. I can’t deny my sincere thanks to my brother Chaudhary Prashant and my sister Chaudhary Anita because both of them gave me a lot of encouragement and cooperation in my research.

I am also indebted to my maternal uncle Chaudhary Mahendra Singh and a distant near and dear one Prakash Saxena, of (Agra University, Agra) who recommended me to Dr. R.K. Srivastav to be my supervisor.
