Everything is possible only with God's grace in this world. Human necessities and desires are only generated with God's wish and is enacted by his people. At a time when a movement is achieved or a play is successfully enacted it becomes, indeed, a dilemma to mark out the vast number of contributions.

I owe my deepest gratitude to my supervisor Dr. B.M. Gupta, Associate Professor, Department of Commerce, Harsahai P.G. Mahavidyalaya, Kanpur whose encouragement guidance and support from the initial to the final level enabled me to develop an understanding the subject. It is beyond my capacity of mind to choose words to thank him.

I owe my deepest gratitude to my uncle Dr. Narendra Kumar Gupta. His readiness to help, whenever needed, gentle nature and learned suggestions proved as a beacon of light whenever I was in darkness uncertainty.

It gives me immense pleasure to acknowledge my parents and my in-laws, who inspired me for the thesis. Without their support and motivation at every step this thesis would never have come to an end. I owe my deepest gratitude to my father-in-law Mr. A.N. Gupta, Businessman whose inspiration for the Ph.D. This thesis was not possible.

My heartfelt in sorrow when I remember my father Late Mr. K.G. Gupta, who was with me at the starting point of the thesis and is not here to taste the success of the completion of thesis. He is always with me in my heart and in my soul. May God rest his soul in peace.
This is the reason why God made both father and mother. I one leave other is both for the child. I love and thank my mother Mrs. Nirmala Gupta for giving me strong basics and culture to stand and say all that.

I am also thankful to the Librarians and other members of the Libraries which proved very helpful for the collection of the research material. Among them are: C.S.J.M. Central Library (University Campus), I.I.T. Kanpur Library, Kanpur (University Campus), Allahabad University Campus Library and Lucknow University Library.

Last but not the least I acknowledge my husband Mr. Rumit Gupta, Businessman whose patient love, unlimited co-operation and motivation at every step enabled this thesis to come to an end. Thanking him first would have been partial, but better half is first and foremost for the Indian married woman.
