ACKNOWLEDGEMENT

Behind the work compiled in these pages lies the constant encouragement, fruitful guidance and patience of my guide Dr.(Mrs.) Kumkum Srivastava, Ph.D., D.Sc. My sincere gratitude and great indebtedness to her, for her valuable suggestions throughout the course of this work.

I am grateful to the Principal of Christ Church College, Kanpur for providing facilities for research work. I thankfully acknowledge Dr. S. B. Gupta, the Head of the Chemistry Department, Christ Church College, Kanpur for his help rendered to me throughout the period of research work.

I am thankful to Dr. (Miss) Sudha Pandey, Principal, S.N. Sen P.G. College, Kanpur for her keen interest in the progress of this research.

I extend my thanks to the Director, H.B.T.I., Kanpur for permitting me to consult the library. I thankfully acknowledge the Director, IIT, Kanpur for permitting me to consult the library.

My thanks are due to the Chemistry Department, Christ Church College, Kanpur.

I am deeply obliged to my parents and brother, but for their emotional support and constant encouragement the work would not had been possible.
