LIST OF PUBLICATIONS

1. Chromatographic Separation of Amino Acids on Zinc Silicate
   D. K. Singh, R. Mishra and B. Srivastava

2. Removal of Basic Dyes from Aqueous Solutions by Chemically Treated Psidium Guyava Leaves
   D. K. Singh and B. Srivastava

3. Removal of Some Phenols by Activated Carbon Obtained from Used Tea Leaves
   D. K. Singh and B. Srivastava

4. Iron(III) Morpholine Gel-A New Adsorbent Selective for Pyrocatechol and Pyrogallol
   D. K. Singh and B. Srivastava

5. Basic Dyes Removal from Wastewater by Adsorption on Rice Husk Carbon
   D. K. Singh and B. Srivastava
   Indian J. Chem. Technol., (Communicated)

6. Separation and Removal of Phenols Using Iron Oxide Coated Sand
   D. K. Singh and B. Srivastava
   Environ. Technol., (Communicated)
