ACKNOWLEDGEMENTS

On this occasion, with immense sense of gratitude and respect I acknowledge the supervision of Dr. Prakash Nautiyal, Reader. His complete involvement, day and night persuasion, incessant guidance and constant encouragement helped to complete quality work. His scholarly supervision, critical review, penetrating analysis and firm determination helped me to present the thesis in its present form.

I am highly indebted to Professor Pratima Gaur, Head, Department of Zoology, University of Allahabad, Allahabad for the academic support, necessary laboratory facilities and valuable suggestions provided from time to time. I greatly acknowledge liberal help, valuable suggestions and encouragement provided by Professor H. R. Singh, Former Vice Chancellor University of Allahabad, Allahabad.

I acknowledge Prof. T. R. Rao, Coordinator Environmental Science, University of Delhi, New Delhi, for his valuable suggestions for data analysis. I also acknowledge Prof. A. Kownacki, Institute of Nature Conservation, 31-120, KRAKOW, POLAND for identification of Chironomid sample and Dr. Hasko Friedrich Nesemann, Aquatic Ecology Center (AEC) Kathmandu University, Nepal for identification of annelid and mollusc samples. The valuable suggestions and help provided by Dr. V. S. Somvanshi, Director General, Dr. M. E. John, Zonal Director, Dr. A. K. Bhargwa, Senior Fishery Scientist and Shri. S. K. Dwivedi, Scientist, Fishery Survey of India, Mumbai, is also acknowledged.

I express my gratefulness to the teachers of Zoology Department, University of Allahabad, Prof. Sheela Rai, Prof. S. C. Tiwari, Prof. Umesh Chandra Srivastava, Prof. Sandeep Kumar Malhotra, Prof. Aneeta Gopesh, Prof. Ravi Shanker Pandey, Prof. Krishna Kumar Srivastava, Prof. S. V. Singh, Prof. Raghav Ram Tiwari, Dr. (Mrs.) Neeta Srivastava, Dr. (Miss.) Banlata Mohanti and Dr. Krishna Pal Singh. My sincere thanks are due to all supporting staff of the Department of Zoology, University of Allahabad, Allahabad, for their cooperation.
I shall be failing in my duty if I do not put on record the inspiration, affection and support received from my parents Sri Ved Vyas Mishra and Smt. Chandrakanti without whose blessing it was just not possible to continue with herculean task. Perpetual encouragements, sacrifice during my neglect in domestic duties, it would not have been possible to achieve my target. I would have never reached this far. My cordial thanks also due to my elder brother Sri Anurag Stayam Mishra and sister-in-law Mrs. Poonam Mishra, sisters Mrs. Sudha Pandey, Mrs. Pushpalata Pathak and Mrs. Seema Tripathi and brother-in-laws Sri R.N. Pandey, Er. A.K. Pathak and Sri. A.K. Tripathi for their affection, lot of encouragement and support.

I am sincerely thankful to Dr. (Mrs.) Rachna Nautiyal, Head, Department of Zoology, Govt. Degree College Dak Pathar, Dehradun (Uttaranchal) for kind cooperation and help during research period. I am heartily thankful to late Sri M. N. Nautiyal and Mrs. Nautiyal for their elderly affection, suggestions and blessings.

I am extremely thankful to Dr. S. P. Singh, Director, Institute of Agriculture and Educational management, Patti, Pratapgrah U.P., Prof. H. H. Singh and Dr. (Mrs.) Indu Singh, Kamla Nehru Institute of Physical and Social Sciences, Sultanpur for kind cooperation and help. I am also thankful to Dr. B. K. Dwivedi, Director, Bioved Research and Communication Centre, Prayag Allahabad for kind cooperation.

I would like to thank the seniors and respected persons Dr. J. P. Bhatt, Dr. B. K. Bahuguna, Dr. V. S. Rawat, Dr. R. S. Negi, Dr. V. P. Semwal and Dr. P. Dhasmana Department of Zoology, H.N.B. Garhwal University, Srinagar, Garhwal who helped me variously. My sincere thanks are due to my lab mates Mr. Amitabh C. Dwivedi, Mr. K. R. Singh, Mr. P. K. Shastri, Mrs. Soni Srivastava, Mrs. Asha Agrawal and Miss. Jyoti Verma.
