Acknowledgement

I express my heartfelt gratitude towards:

- Dr. Sujith Kumar Parayil, my supervisor, for being such a wonderful human being who has been a source of constant support, critical insights, ideas and able guidance. This dissertation would not have been completed if not for his constant encouragement and friendship. Thank you sir, for having faith in me.

- Dr. Bhangya Bhukya, my advisory committee member, for giving me many valuable suggestions about my research topic and for the many conversations.

- Prof. M Madhava Prasad, Prof K. Satyanarayana, Prof. Satish Poduval, Dr. Uma Bhrugubanda, Mr. M. Parthasarathi for making the Department feel like a home.

- Hari Mash and Nisha chechi for their continued love and support.

- Prof. M. Dasan, Dr. Saji Mathew, Dr. K M Sherriff -- my teachers during M A at Kannur University for giving me an orientation towards academic research.

- Sanal Mash, for his love and concern

- Dr. Ranjith, Dr. Sherin, Dr. Raju Naik, Dr, Indranil, for their queries about my research and the friendly conversations.

- Dr. Ranjith, P for sharing many insightful ideas and giving valuable suggestions about my research

- Shirlyamma and Baby Maman for pushing me to the academic field and for their love and moral support
- Shankar, Yunush, Navya, Priya, Sudeesh, Rahul -- my classmates, for their help and support in classroom and outside discussions, and for the occasional parties. Thank you guys for making my five years wonderful

- Jentle and Anu--no words would suffice to express my gratitude for their love and support

- Abhi, Reju, Shashi-- for their continued support, guidance and friendship. I do not what more to say.

- Sreekanth, for his help and support and also for making me feel at home in his house during the writing of this thesis.

- Vipin, Kavya, Mussadique, Aparna, Elika-- for their help and support

- Afzal, for his friendship and for carrying out the painstaking task of editing and proofreading

- James, Maitreyi, Ashish, Anish, Bishr-- for their love and concern.

- Ajith Cherian and Renu for their wonderful presence in my life over the last few years, and also for their timely help with editing my chapters. Your occasional calls have meant a lot to me during the writing of my thesis.

- Ben, Ajayan, Aziz, Afsal, Jerry, Omen, Anju, Alex-- for the many gossips and discussions over midnight tea

- Vandana for her friendship and for sharing many valuable materials related to my topic

- Achu, for his timely help with editing and also for the good times that we have had together
- Kavya, Manasi, Dwija, Anagha—I do not know how to thank you for being such wonderful presence in my life.
- Shafla for her friendship, love, care and emotional support
- Janani, Pompi, Abhi’s Amma--for their love and also for the wonderful food that they have cooked for me
- Shibi and Shinu for their love, food, jokes and company.
