

## LIST OF THE TABLES

Table No.	Title	Page No.
2.1	Types of thinking	27
4.1	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Extraversion	134
4.2	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Agreeableness	135
4.3	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Conscientiousness	136
4.4	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Neuroticism	136
4.5	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Openness to experience	137
4.6	Number of items and Cronbach alpha indexes after item and reliability analysis for the Personality Questionnaire	138
4.7	Goodness of fit indices	140
4.8	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the Analysis	141
4.9	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the inference	141
4.10	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the evaluation	142
4.11	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the inductive reasoning	142
4.12	Corrected item-total correlation, alpha if item deleted and Cronbach alpha of the deductive reasoning	143
4.13	Number of items and Cronbach alpha indexes after item and reliability analysis for the Critical Thinking Questionnaire	143
4.14	Goodness of Fit Indice	145
4.15	Descriptive analysis of responses to item No: 1	149
4.16	Descriptive analysis of responses to item No: 2	150
4.17	Descriptive analysis of responses to item No: 3	151
4.18	Descriptive analysis of responses to item No: 4	152
4.19	Descriptive analysis of responses to item No: 5	153
4.20	Descriptive analysis of responses to item No: 6	154

4.21	Descriptive analysis of responses to item No: 7	155
4.22	Descriptive analysis of responses to item No: 8	156
4.23	Descriptive analysis of responses to item No: 9	157
4.24	Descriptive analysis of responses to item No: 11	158
4.25	Descriptive analysis of responses to item No: 14	160
4.26	Descriptive analysis of responses to item No: 15	161
4.27	Descriptive analysis of responses to item No: 17	162
4.28	Descriptive analysis of responses to item No: 18	163
4.29	Descriptive analysis of responses to item No: 19	164
4.30	Descriptive analysis of responses to item No: 20	165
4.31	Descriptive analysis of responses to item No: 21	166
4.32	Descriptive analysis of responses to item No: 22	167
4.33	Descriptive analysis of responses to item No: 23	168
4.34	Descriptive analysis of responses to item No: 24	169
4.35	Descriptive analysis of responses to item No: 25	170
4.36	Descriptive analysis of responses to item No: 26	171
4.37	Descriptive analysis of responses to item No: 27	172
4.38	Descriptive analysis of responses to item No: 28	173
4.39	Descriptive analysis of responses to item No: 29	174
4.40	Descriptive analysis of responses to item No: 30	175
4.41	Descriptive analysis of responses to item No: 31	176
4.42	Descriptive analysis of responses to item No: 32	177
4.43	Descriptive analysis of responses to item No: 33	178
4.44	Descriptive analysis of responses to item No: 35	179
4.45	Descriptive analysis of responses to item No: 36	180
4.46	Descriptive analysis of responses to item No: 37	181
4.47	Descriptive analysis of responses to item No: 41	182
4.48	Descriptive analysis of responses to item No: 42	183
4.49	Descriptive analysis of responses to item No: 43	184
4.50	Descriptive analysis of responses to item No: 44	185
4.51	Descriptive analysis of responses to item No: 46	187
4.52	Descriptive analysis of responses to item No: 47	188

4.53	Descriptive analysis of responses to item No: 48	189
4.54	Descriptive analysis of responses to item No: 49	190
4.55	Descriptive analysis of responses to item No: 50	191
4.56	Descriptive analysis of responses to item No: 1	192
4.57	Descriptive analysis of responses to item No: 2	193
4.58	Descriptive analysis of responses to item No: 3	194
4.59	Descriptive analysis of responses to item No: 4	194
4.60	Descriptive analysis of responses to item No: 5	195
4.61	Descriptive analysis of responses to item No: 6	196
4.62	Descriptive analysis of responses to item No: 7	197
4.63	Descriptive analysis of responses to item No: 8	198
4.64	Descriptive analysis of responses to item No: 9	199
4.65	Descriptive analysis of responses to item No: 10	200
4.66	Descriptive analysis of responses to item No: 11	201
4.67	Descriptive analysis of responses to item No: 12	202
4.68	Descriptive analysis of responses to item No: 14	203
4.69	Descriptive analysis of responses to item No: 15	204
4.70	Descriptive analysis of responses to item No: 16	205
4.71	Descriptive analysis of responses to item No: 17	206
4.72	Descriptive analysis of responses to item No: 19	207
4.73	Descriptive analysis of responses to item No: 20	208
4.74	Descriptive analysis of responses to item No: 21	209
4.75	Descriptive analysis of responses to item No: 22	210
4.76	Descriptive analysis of responses to item No: 23	211
4.77	Descriptive analysis of responses to item No: 25	212
4.78	Descriptive analysis of responses to item No: 29	214
4.79	Descriptive analysis of responses to item No: 30	214
4.80	The Results of K-S Test	215
4.81	Descriptive Statistics of Sub-Constructs of Personality Traits	216
4.82	Descriptive Statistics of sub-constructs of Learners' Critical Thinking	217
4.83	Descriptive Statistics of Learners' Writing Score	217
4.84	Goodness of fit indices	218

4.85	Results of Correlation between learners' personality traits, and their writing score	220
4.86	Goodness of fit indices	221
4.87	Results of Correlation between learners' critical thinking, and their writing score	223
4.88	Results of Correlation between learners' critical thinking, and their personality	224
4.89	Results of Correlation between learners' critical thinking, and their age	224
4.90	Results of Correlation between learners' personality trait and their age	226
4.91	Descriptive Statistics of Males and Females' Scores in critical thinking	227
4.92	Results of the Independent-Samples T-Test between Male and Female Regards to in Critical Thinking	227
4.93	Descriptive Statistics of Males and Females' Scores in personality trait	228
4.94	Results of the Independent-Samples T-Test between Male and Female Regards to in Critical Thinking	229
