ACKNOWLEDGEMENTS

I wish to express my sense of gratitude to Dr. S. Lal, M.Sc.(Ag.), Ph.D., Senior Scientist (Pulses), Haryana Agriculture University, Hisar, for his valuable guidance throughout the progress of the work and preparation of the manuscript.

I extend my hearty thanks to Dr. Dharampal Singh, Ex-Director, U.P. Institute of Agricultural Sciences, Kanpur for his encouragement.

I take the opportunity of expressing my sincere thanks also to Dr. H.G. Singh, Head, Department of Plant Breeding and Genetics, Chandra Shekhar Azad University of Agriculture and Technology, Kanpur, for providing necessary facilities throughout the period of investigation.

I am highly grateful to Dr. Z. Ahmad, Wheat Breeder and Dr. Y.S. Chauhan, Department of Plant Breeding and Genetics, Chandra Shekhar Azad University of Agriculture and Technology, Kanpur for their valuable suggestions.

Thanks are also due to Sri H.M. Dutta, Senior Statistical Assistant, for the keen cooperation and assistance in carrying out the statistical analysis.

(J.K. Saxena)
