ACKNOWLEDGEMENT

I feel immense pleasure in expressing my heartfelt regards and profound sense of gratitude to Dr. C.M. Mishra, Plant Ecologist, Forest Research Institute U.P., Kanpur, for his valuable suggestions and inspiring guidance, constant motivation throughout the course of investigation. His affectionate encouragement given throughout the pursuit of the present research work helped me to complete this arduous venture.

I am indeed grateful to Silviculturist F.R.I., U.P. for providing his full support and facilities during the entire course of investigation.

I am very much grateful to Dr. Praveen Kumar Tewari, Department of Extension Education, Institute of Agricultural Sciences, Banaras Hindu University for his immense help in the preparation of manuscript.

I wish to acknowledge the help rendered by Dr. Veena Mishra, Reader, Department of Zoology, A.N.D. College, Kanpur in completion of the thesis work.

I am thankful to Dr. S.N. Upadhyay, Director, Institute of Technology, and Dr. B.D. Tripathi, my mentor of M. Sc. Programme, Professor, Advanced Centre of Botany, Banaras Hindu University, for their valuable guidance and help in completion of research work.

I express my sincere regards to Dr. Veerbhadra Mishra, President, Sankat Mochan Foundation, “SWACHCH GANGA ABHIYAN”, Varanasi and all the staff members of “SWACHCH GANGA ABHIYAN LABORATORY”, for providing all possible help for analysis of Ganga river water.

I am thankful to Dr. D.K. Sujan, Professor & Head; Dr. Kalyan Ghadei, Lecturer and Vipram Chourasia, Department of Extension Education, Institute of
Agricultural Sciences, Banaras Hindu University for providing help and cooperation time to time.

I wish to thank my mother, my brother, my brother in-law Dr. K.K. Pandey (Lt Col.) and sister Dr. Ratna Pandey for mental and physical support they rendered during my research work.

At the last but not the least, a much needed support came from my daughters “Aditi” & “Avani”, my husband Dr. Rahul Dubey, Assistant Professor, Ambani Institute of Technology, my mother in-law Dr. Malti Dubey, Principal, Gujrat Vidya Peeth, Ahmedabad and brother in-law Rohit Dubey during the course of my research work.

At the end, I wish to acknowledge huge amount of effort put in by my father Dr. K.N. Pandey, Professor, Department of Extension Education, Institute of Agricultural Sciences, Banaras Hindu University, for his active support and motivation, without which this work would not have been feasible.
