Acknowledgement

First of all I thank the almighty for the kind blessing on me in completion of this work. It was the super natural power that stood beside me in mind, body and spirit as I worked on.

I avail this unique opportunity to express my profound sense of gratitude and reverence to Dr. R.P. Srivastava, M.Sc. (Ag.), Ph.D., Associate Professor, Department of Agricultural Extension, K.A.P. G.D. College, Allahabad for his scholastic guidance, constant supervision, constructive criticism, painstaking efforts throughout the period of investigation and preparation of this manuscript.

I would like to express my heartily thanks to Dr. K.N. Pandey Ex, Reader Dept. of Agricultural extension, B.H.U., Dr. J.P. Srivastava, Ex, Reader and Head of Post Graduate Dept. of Agriculture Extension, K.A.P.G.D. College, Allahabad and Prof. D.K. Sujan, Dept. of Agricultural Extension B.H.U. and Dr. S.N. Tripathi Ex, Head of C.S.A. Agriculture University, who showed me the right pathway on which I am now. They are great source of inspiration. Their help and support are always uncountable for me.

My specially obligation and gratefulness goes to prof. D.P. Ray, Vice chancellor, O.U.A.T., for his valuable suggestions.

I am very much thankful to Dr. R.K. Raj, Prof. and Joint Director Directorate of Extension Education, O.U.A.T., Bhubaneswar for his valuable suggestions and help in completion of the study.

I am very much thankful to Dr. Sankarsan Nanda, Dean Ext. Education., O.U.A.T., Bhubaneswar for his valuable suggestions and help in completion of the study.

My sincere thanks are due to Dr. R.N. Das Prof. and Head, Dr. A. P. Kanungo, Dr. S.K. Rout, Dr B. Parasar, Dr. B.P. Mahapatra, Dr. B.K. Mohanty, Dr. N. Rout, O.U.A.T., Bhubaneswar, for providing me advices that helped me a lot in staying at the right track. Especially the excessive comments and the discussion and interactions with them had a direct impact on the final form and quality of this thesis.
I am thankful to Dr. S. Parichha, Programme Coordinator K.V.K. Dhenkanal, Dr. Manoranjain Satapathy, A.D.R. RRITIS, Dr. B.K. Mahaptra (E.C.F.) Head, for their full co-operation in completing the research work in time.

My heartfelt thanks are due to Kabatbhai, Tanmaya, Bijay, Sasmita Madam, Siddharth, Jaswant, Biswajeet & Gyana for their co-operation and timely help.

I find dearth of words to express my fillings towards my father Sri Surendra Kumar Pattanaik and Smt. Mitarani Pattanaik for their selfless sacrifice, fathomless inspiration and co-operation during the course of my study.

I put my love and affection to my elder borther and sisters Kuru Bhai & Bhabhi, Apa and Inu Apa and younger brother Rubi and Sister in law Juli and cousins for their help and encouragement during my study period.

Finally, I should expressed my sincere thanks to my wife "Niharika" and son Baibhava for their constant and encouragement and taking burden of their own during the entire period to complete this research work.

I bow my head with devotion to the "LORD SIVA" for his sacred blessings.

Dated :- 13/4/2011

(Biswa Ranjan Pattanaik)
