ACKNOWLEDGEMENT

It gives me a feeling of elevation in expressing my gratitude to Dr. S.P. Dikshit, Reader, Department of Commerce, VSSD College, Kanpur, who not only whole-heartedly spared his precious time for supervising the work, but also had always been available to encourage, instruct, make available the information and provide literature for the purpose.

I am indebted to Dr. O.P. Shukla, lecturer, Armapur Degree College, Kanpur University, who has always accompanied me and stood by me to get the information/literature from various in and out sources.

The library people at Kanpur University Library, U.P. Stock Exchange Library, and I.P.M. Library deserve my heartiest thanks as they become the centre of information for my work.

I am specially thankful to all my friends and well wishers, without the good wishes of whom it would not have been possible to complete this complex work of research.

I am also thankful to my colleagues and fellow staff members who were always after me to see that my work is not interrupted at any stage.

Lastly, I express my heartiest feelings to my wife and children who were always involved at all the stages of my work and were a constant source of inspiration to see me through the daunting task of Ph.D.
