Acknowledgement

I bow my head to the Almighty God for providing me an opportunity to pursue the studies for the said degree.

I am thankful to Dr. S.N. Gurha, Principal Scientist, Indian Institute of Pulses Research, Kanpur for his untiring efforts, able guidance and moral support throughout the course of present investigations.

I am also thankful to Dr. Masood Ali, Director and Dr. Vishwa Dhar, Head, Division of Crop Protection, Indian Institute of Pulses Research, Kanpur for their suggestions and facilities.

My thanks are due to all the members of Division of Crop Protection, IIPR, for their direct or indirect help through out the course of present studies.

I am thankful to Dr. Udit Narain, Associate Professor, CSAUAE, Kanpur for critically going through the manuscript and preparing of photographs.

I am thankful to my friends, Drs. Rachana Srivastava, Shashi Mishra and Km. Neetu Shukla, supporting staff Smt. Sarita and Sh. Samar Singh for their help in field and laboratory studies.

My special thanks are due to Sh. K.A. Chaturvedi for the moral support and typing of this manuscript.

I will fail in my duty, if I do not place on record my gratefulness to my husband, Sh. Praveen Chand Trivedi and family members Sh. Kali Shankar Trivedi, Smt. Maheshwari Trivedi, Sh. N.S. Shukla, Smt. Asha Shukla and my cute sisters Parul and Mukta, loving brother Shashank for their moral, social and financial support.

In the end, I thank all those personnel whose direct or indirect help made me to pursue the present studies successfully.

(SHUBHA TRIVEDI)
