Acknowledgement

I deem it to be a rare privilege to place on record my deep sense of gratitude and best regards in honour of the supervisor of my Ph.D. Work, Prof. R. K. Sharma, Ex-Dean of Agriculture, Kanpur University, Kanpur and Head, Department of Horticulture, Kulbhaskar Ashram Post-Graduate College Allahabad for his inspiring guidance, valuable suggestions and constant encouragement during the period of investigation and preparation of the manuscript.

I am extremely grateful and deeply indebted to Dr. L.M. Shukla, Associate Professor and Dr. H.R. Mishra, Assoc. Professor, Department of Horticulture for their most valuable help and suggestions.

I feel indebted and extend my heartiest thanks to Dr. K. C. Srivastava Principal, K. A. Post-Graduate College, Allahabad for providing all possible facilities and encouragement.

My thanks are also due to Dr. A. K. Srivastava, Statistician of Kulbhaskar Ashram Post-Graduate College, Allahabad for his help in planning the experiment and analysis of data.

I acknowledge the assistance rendered by my friends Chandra Pal Sharma, Mukesh Kumar Sharma, Prasant Sharma, Bidya Nand Jha and Shanker Lal at opportune moment.

My warmest thanks are due to all the Scientists and Colleagues of the Department of Horticulture Bihar Agriculture College, Sabour for valuable suggestions in preparation of the manuscript.

I shall be failing in my duty if I do not remember my reverend parents, uncle and brothers whose blessing, ensured inspiration and encouragement in completing task.

Last but not the least, I wish to keep on record the sacrifices made by my brother-in-law and sister who have been a source of inspiration and helped me during entire period of investigation.
