ACKNOWLEDGEMENTS

It would not have been possible to write this thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

It is with great honor and pride that I take this moment to express my earnest and sincere gratitude to my supervisor and inspiration, Dr. Kapil Choudhary, Assistant Professor, Department of Commerce, Chaudhary Devi Lal University, Sirsa. He has been a motivated force and has constantly encouraged me in free exchange of ideas and expression throughout the period of my research. I perceived him as an affectionate teacher, an erudite counsefor and a strict disciplinarian. I thank him for imparting his knowledge and experience, which I would always cherish.

I wish to express a deep and heartfelt gratitude Dr. D. P. Warne, Chairperson, Department of Commerce, Chaudhary Devi Lal University, Sirsa for his advice and cooperation. I am highly thankful for his ever helping attitude, support and encouragement.

I would like to thank my parents, my father Sh. Bhoop Singh Aitan and Mrs. Bimla Aitan, and to my wife Mrs. Neetu Rani Aitan for supporting me spiritually throughout writing this thesis and my life in general. Words cannot express how grateful I am to my mother and father for all the sacrifices that they have made on my behalf.

I would like specially and esteem thanks to my friend Sh. Mahender Pal Jodha, Assistant, CDLU Sirsa for support and encouragement to do research. I want to thank my friends Dr. Naman Sethi, Dr. Raman Deep Singh, Dr. Vinod Litani and Dr. Rakesh (HVS) who stood by me, supported me and encouraged me in every aspect of my research work and in life.

I thank the non-teaching staff of the Department of Commerce for their co-operation and help offered during the study and throughout my course.

Finally, I thank God for always being with me and showering all his blessings on me and my family.

Rakesh
