ACKNOWLEDGEMENT

The author is most grateful to her supervisor Dr. M. K. Saseetharan, Professor of Civil Engineering, Government College of Technology, Coimbatore for his expertise, valuable guidance, enlightening discussions, constant support and encouragement throughout the research work.

The author is thankful to Dr. S. Annadurai, Principal, Government College of Technology, Coimbatore for the facilities provided to carry out the research work.

The author is grateful to Dr. K. Rajagopal, Principal, Government College of Engineering, Tirunelveli and Dr. S. Jayanthi, Assistant Professor in Civil Engineering, Government College of Technology, Coimbatore for their expert comments and the suggestions given during periodic doctoral committee meetings.

The author expresses her special thanks to Dr. R. Elangovan, Professor and her friends Dr. C. Meiaraj, Ms. K. Rekha, Lecturers, Department of Civil Engineering, Government College of Technology, Coimbatore for their support and help extended during the study.

The author is deeply grateful to her husband Mr. P. Sathesh and daughters S. Latika and S. Kanishka for their encouragement, moral support and also for enduring her absence during the documentation of the research work. The author specially thanks Er. P. Mohammed Jubair for providing valuable clarifications and timely help during the course of the study.

The author is greatly indebted to her parents Shri. J. Subanantha Raj and Smt. G. Palammal and her brothers S. P. Jeyaprasanth and S. P. Jeyaparakash for their loving support and encouragement without which this work would not have been possible.

(S. P. JEYAPRIYA)
