ACKNOWLEDGEMENTS

Acknowledgements are a pleasure to write. I have received so much help from so many people that it is not possible to enumerate all of them. Yet, I must mention the names of those without whose help it would have been impossible for me to conclude this labour. First of all, I owe special thanks and sincere gratitude to my Supervisor and Guide, Dr. (Mrs.) REENA MITRA, (Department of English, Christ Church College, Kanpur) who enkindled persistent and keen personal interest in my work. I received absolute guidance and help from her. She gave me much of her time and help with affection, kindness and enthusiasm. In fact, the help and care, given by her, cannot be expressed in words. They are unutterable.

I also acknowledge the help, I received from different libraries like, Sahitya Akademi, New Delhi, National Library, Kolkata, the library of Christ Church College, Kanpur, and the library of N.D. College, Bhongaon.

I am also deeply indebted to my husband, who devoted all his favour to complete my thesis. He helped me in typing this book. I am also beholden to my parents and my father-in-law who have been a constant source of encouragement and help to me. I would also like to thank my relative (Mr. G.R. Yadav) whose computer I used in typing this thesis.
