ACKNOWLEDGEMENT

I, wish immense pleasure and a sense of feeling of profound gratitude, express my manifold thanks to Dr. R.K. Nigam, Ph.D. Botany, Reader, Department of Botany, P.P.N. Post Graduate College, Kanpur for his able guidance, keen interest, untiring help, constructive criticism, thoughtful suggestions and constant encouragement during the course of investigation and preparation of this manuscript without which this work would have been well nigh impossible.

The author is grateful to Dr. Veena Tiwari, Formerly Reader, Department of Botany, P.P.N. Post Graduate College, Kanpur and other teaching staff, Department of Botany, P.P.N. Post Graduate College, Kanpur, due to their helpful attitude and appropriate suggestions with keen interest during course of this study.

I also wish to record my heartfelt thanks to the Principal, P.P.N. (P.G.) College, Kanpur for providing opportunity to carry on my studies.

My heartfelt feelings coupled with sincere thanks also go to Prof. (Dr.) R.A. Singh, Ex-Officer-in-Charge and Principal Scientist, Zonal Agricultural Research Station, Manpuri, C.S. Azad University of Agriculture and Technology, Kanpur for his varied help, constructive suggestions, sympathetic attitude and for providing me the necessary facilities during the course of investigation.

My heartful thanks are due to Dr. N.B. Singh Senior Plant Physiologist and Officer-in-Charge, Rabi Cereals, C.S. Azad University of Agriculture and Technology, Kanpur for his keen interest and able guidance rendered during the course of investigation and for his help in developing the plan of physiological parameters analysis of the huge data collected in
various observations. I am also thankful to Dr. Om Prakash, Asstt. Professor, C.S. Azad University of Agriculture and Technology, Kanpur for the help provided by him in the statistical analysis.

I would be failing in my duty if I do not thank my husband Sri Sanjeev Rajput, Father-in-law Prof. Baleshwar Prasad and mother-in-law Smt. Asha for their patience and cheerfulness during the course of study.

The conglomeration of my entire feelings goes to my mother Smt. Kanti Singh, father Dr. R.A. Singh and sisters Smt. Rekha Singh and Dr. Indira Singh whose encouraged me and provided with the necessary financial assistance without which I would not have reached here upto.

I am also thankful to Dr. J Pathak for continuous computer monitoring during the preparation of this manuscript.
