ACKNOWLEDGEMENT

It is not possible to translate fully the language of conscience and feeling into words. I too have no proper words to express my full reverence and indebtedness to my highly esteemed and worthy guide Dr. Sheila Srivastava, Reader, Department of Chemistry, Feroze Gandhi College, Rae Bareli. She inspired me in that spirit of dedication, precision and unbiased observation which must be cornerstone of every scientific pursuit. Her constant interest and skillful criticism throughout the period enabled me to complete this work. All the achievements of this work are because of her and shortcoming, if any, are entirely my own.

I wish to put on record my sincere thanks to Dr. D. P. Pandey, Head, Department of Chemistry, for his encouraging support and painstaking nature which have contributed a lot in the completion of my research work. I would like to acknowledge my sincere thanks to Dr. R. P. Singh, Reader, Department of Chemistry, Feroze Gandhi College, Rae Bareli, for his sincere advices and kind help on certain occasion during the course of investigation.

I am deeply grateful to Prof. R. P. Verma, Principal, Feroze Gandhi College, Rae Bareli, for his valuable suggestions, encouragement and being unfathomable source of inspiration.

I wish to express my deep sense of gratitude and respect to my parents and Dr. Arun Kumar, Reader, Department of Commerce, F. G. College, Rae Bareli, for their willingness, sacrifices and pains taken by them which facilitated smooth running of my academic carrier.
Earnest thanks are also due to my colleagues and friends Rajendra Sharma, Ajaya Awasthi, Vertika Srivastava, Vandana Gupta, Kulina Singh and Sarika Singh.

My heartfelt thanks to all family members Kusum Tripathi, Shivom, Harikrishna, Mallika and Gaurish for their active support and incitement during course of the study.

I would also like to extend my thanks to all the members of teaching and non teaching staff of Chemistry Department of Feroze Gandhi College, Rae Bareli. I also thank Mr. Neeraj Srivastava for accomplishing the typing work of this thesis so accurately and neatly.
