ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to Dr. A. Prasad, D.Sc., Prof. and Head, Department of Horticulture, C.S.A. University of Agriculture and Technology, Kanpur for his kind supervision and constant pain taking advice and encouragements throughout the course of the study and writing of this manuscript.

I am highly thankful to late Dr. S.D. Khanduja, Head Horticulture Discipline, National Botanical Research Institute, Lucknow for his inspiration and construction of ideas for the present project.

My heartily thanks are due to Dr. P.N. Bajpai, Retired Professor and Head, Department of Horticulture, C.S.A. University of Agriculture and Technology, Kanpur for his kind suggestions and encouragement as and when required.

I am also very much thankful to Drs. K.R. Khanna, Andhra S. Murti, V.K. Kochhar, D.V. Amla, P.N. Mishra and V.R. Balasubramanyam for providing instrumentation facilities and Mr. G.D. Maurya of the Institute for his kind help as and when required.

Jagdish Narayan
