Acknowledgements

In writing this thesis I have incurred many obligations, and it is with pleasure that I express my gratitude to all those who have helped me at every stage with their expert advice. Without their generous help I would have found it far more difficult to complete the work. I acknowledge my profound and sincere gratitude to my guide and philosopher Dr. R.K. Mishra, Reader (Retd.), Department of English, D.B.S. College, Kanpur. He helped me in selecting the topic and gave initial impetus for this work. His role has certainly been the most decisive, generous, and contributory in getting this work.

I shall be failing in my duty if I do not feel obliged to Smt. Shobha Mishra, respected wife of Dr. R.K. Mishra, who always gave me constant encouragement and took care at every stage of this work. I can never forget the whole hearted cooperation of their sons, Ritesh and Sumit.

I also express my deepest regard to my teacher, Dr. R.K. Tripathi, Reader (Retd.), Department of English, D.B.S. College, Kanpur, who has been a source of inspiration not only in my academic career but also in all walks of life. I am also thankful to Dr. R.N. Shukla, Head, Department of English, D.B.S. College, Kanpur, Dr. S.K. Mishra, Principal, D.B.S. College, Kanpur, Dr. Narendra Dwivedi, Principal (Retd.), B.N.D. College, Kanpur, Dr. K.N. Srivastava, Principal (Retd.), D.S.N. College, Unnao et al.

During the course of my study I received constant cooperation from the library staff of Indian Institute of Technology, Kanpur, Tagore Library, Lucknow University Lucknow, British Library, New Delhi, Marvadi Library, Kanpur, Parshad Library, Kanpur and D.B.S. College library.

This work could not have reach to this stage without the blessing of my father Sri G.S. Tiwari and my mother Smt. Rekha Tiwari who took enormous pains enabling me to complete my work. My elder brother Dr. Pradeep Tiwari, Lecturer, Department of Mathematics, K.K. Degree College, Kanpur and my
sister-in-law Smt. Rashmi Tiwari provided me moral support. I must also express my deep sense of affectionate gratitude to my niece Smaradhi Tiwari. I am also thankful to Dr. Ravindra Tripathi who carefully read and gave valuable suggestions to improve my thesis.

I must acknowledge Mr. J.P. Sharma for typing the manuscript.
