ACKNOWLEDGEMENTS

It gives me immense pleasure to record my humble gratefulness to Dr. J.C. Katiyar, Head, Division of Parasitology, Central Drug Research Institute, Lucknow for everlasting encouragement, constructive criticism and aesthetic suggestions throughout the course of investigation.

I wish to express my deep sense of gratitude to Dr. P.C. Gupta, Lecturer in Reader Grade, Department of Zoology, DAV College, Kanpur for his keen interest and inspiring suggestions during tenure of present work.

I am deeply indebted and grateful to Dr. (Miss) Suman Gupta, Scientist, Division of Parasitology, Central Drug Research Institute, Lucknow, for her constant encouragement and untiring help in execution of the work embodied in this thesis.

I am grateful to Dr. V.M. L. Srivastava, Scientist, Division of Biochemistry, for providing laboratory facilities and rendering help and critical suggestions during biochemical investigations.

My sincere thanks are due to Dr. (Mrs) Anuradha, Scientist, Division of Parasitology for her utmost cooperation.

My regards and honhour are due to Dr. M.M. Dhar, FNA, Director, Central Drug Research Institute, Lucknow, for providing laboratory facilities.

I am thankful to Dr. A.P. Bhaduri, Dr. Jujhar Singh and Dr. J.S. Tandon, Scientists, for providing adequate samples of synthetic compounds and plant extracts respectively for the study.
I convey my sincere and regardful thanks to all the members of the Parasitology Division, specially Dr. R.K. Chatterjee (Asstt Director), Dr. S. Chandra, Dr. N.L. Pal (Scientists) for their valuable suggestions and Mr. P.Y. Guru (Scientist) for photography.

I wish to express my grateful thanks to Messrs S.C. Bhar, Shiv Ram and Ashok Kumar for their skillful technical assistance and Messrs Prem Babu and Mahipal for all round general assistance.

I thank Mr. K.L. Gupta for careful preparation of typescript of this thesis.

I would like to acknowledge Council of Scientific and Industrial Research, New Delhi for extending financial assistance.

I am fortunate to get unforgettable affection and encouragement from my laboratory colleagues Dr. Ashok, Dr. Dhirendra, Ujjal, Mabood, Manoj, Runjhun, Sunita, Nigar and Purnima.

Last, but not least words would be inadequate to express the infinite gratitude, I owe to my respected parents for their warm blessings.

JANMEJAI KUMAR SRIVASTAVA
