I bend my head before the all-pervading ‘The Holy Great’, who shaped the cosmos and has shown a shaft of light of spiritual illumination in the obscurity. I seek his blessings to proceed further.

I feel immense pleasure and express my profound sense of gratitude in expressing my sincere indebtedness and regard to Dr. Bholanath Mondal, Assistant Professor, Department of Plant Protection, Palli-Siksha Bhavana (Institute of Agriculture), Visva-Bharati for his valuable suggestions, keen interest, constant encouragement, immense help and guidance throughout the entire course of investigation and preparation of this manuscript. His untiring efforts, constant supervision, benevolent services and blessings, clarity and lucidity of discussion in an informal mood with necessary facilities to conduct this work encouraged me to learn the subject matter more deeply.

I acknowledge my indebtedness to Dr. Palash Mondal, Assistant Professor of Entomology for his intellectual touch and co-operation in every stage of my study which expand my vision.

I bestow my sincere gratitude to Dr. Mrinal Kanti Dasgupta, ex-Professor, Department of Plant Protection, Visva-Bharati and Dr. D. C. Khatua, ex-Professor and Head, Department of Plant Pathology, Bidhan Chandra Krishi Viswavidyalaya for their kind help and suggestions at various stages of the study.

I am grateful to the faculty members of the Department of Plant Protection Dr. N. C. Mandal, Former Principal and Head, Professor of Plant Pathology, Dr. Kanchan Baral, Former Principal and Head, Professor of Plant Protection, Dr. Hirak Chatterjee, Head and Professor, Department of Plant Protection, Dr. Ranjan Nath, Associate Professor of Plant Pathology, Dr. Mohan Kumar Biswas, Assistant Professor of Plant Pathology and Dr. Swarnali Bhattacharya, Assistant Professor of Entomology for their help and valuable suggestions throughout the course of investigation.

I would like to reiterate my gratefulness to Dr. D. C. Manna, Former Coordinator, Sri Sourav Mandal, Subject Metter Specialist (Plant Protection), Dr. Subrata Mandal, Subject Metter Specialist (Agronomy), RKVK, Dr. Ganesh Chandra Malik, Associate Professor, Department of Agronomy, Pall-Siksha Bhavana, Visva-Bharati for their cooperation, constant inspiration and concrete suggestion throughout the course of my study.

I would like to express my gratefulness to the farming community of the Red and Lateritic agro-climatic zone who helped me in every step during my experimental period.
I shall never forget the spontaneous help imparted by our Departmental staff Sri Debobrata Sarkar (Gaganda), Sri Gopon Bhattacharya, Sri Balaram Kisku and Sri Tapobijoy Mukhopadhyay.

I also like to convey my sincere thanks to my seniors and friends especially Sri Niren Majumdar (Assistant Professor, College of Agriculture, Tripura), Sri Karam Chand Hembrom (Assistant Professor, Arambagh College, Burdwan University) and Sri Gouranga Sundar Mondal (Assistant Professor, Bidhan Chandra Krishi Viswavidyalaya) and many others for their encouragement and assistance during the course of investigation.

It is with my personal touch of my emotion that I seize this opportunity to express my heartfelt gratitude to my beloved parents, and other family members for their eternal affection and care. I sincerely appreciate the support and cooperation rendered by my wife (Smt. Bhaswati Bhadra Mondal) and love of my sons (Kundan and Kounish) for their generous sacrifice during the course of my research work. Though many have not been mentioned, none are forgotten.
