Acknowledgements

It’s a great pleasure for me to record my deep sense of gratitude to my teachers and supervisors Prof. Sudhendu Mandal and Prof. Subrata Mondal, Department of Botany, Visva-Bharati for their generous help, unequivocal guidance, constructive suggestions, constant inspiration and encouragement throughout the period of research work without which it would have not been possible for me to complete the present work.

I am grateful to Prof. Narayan Chandra Mondal, Head, Department of Botany, Visva-Bharati, for providing the necessary laboratory facilities to carry out the present research work. I am also grateful to other staff members (academic and non-academic) of the Department of Botany for their cordial support extended to me during my research.

Thanks are also due to the authority of Zoological survey of India, Kolkata for their help in insects (Flower visitors) identification and University Science Instrumentation Centre, Burdwan University for Scanning Electron Microscopy.

I would like to express my heartiest thanks to seniors and friends of our laboratory like Dr. Kakali Biswas, Dr. Sandip Chaudhury, Dr. N.R. Sarkar, Dr. Krishnendu Dey, Shri Kiran Kumar Mondal, Shri Debjit Das, Shri Ramanjan Ghanta, Smt. Megha Dutta Mudi, Smt. Soumi Ghosh, Shri Soumitra Pal and Shri Satyajit Oraon for their help and co-operation in various ways during my work.

My special thanks are due to the Principal and College authority and Head, Department of Botany, Suri Vidyasagar College, Suri, Birbhum for their co-operation and support.

Lastly, I must take this opportunity to express my deepest respect and gratitude to my family members for their sacrifice, moral support and faith on me.
