ACKNOWLEDGEMENTS

In this highly complex society, no work can be accomplished by a single individual but it needs inspiration and sincere gratitude of intellectuals as well as the grace of that Amity. With limitless humility, I would like to praise and thank “God”, the merciful, the compassionate, who bestowed me with health, tenacity and courage enough to go through this crucial juncture. I am grateful to “God”, for bestowing me with affectionate parents, whose love, dedication and inspiration encouraged me to undergo higher studies.

I consider it myself lucky to have an opportunity to express my sincere and heartfelt gratitude towards esteemed Dr. Paresh Chandra Kole, Professor, Department of Genetics and Crop Physiology, Supervisor and Dr. Narendra Pratap Singh, Director IIPR, Kanpur, co-supervisor of my advisory committee for guidance, endurance, forbearance, scholarly suggestion, constructive criticism and above all the task of scrutinizing the manuscript. I am sincerely grateful to him for his affectionate encouragement and never ending patience. As a conscientious supervision, he has saved me from taste of several errors by his frank and unsparing criticism. I shall ever remain indebted to him.

I emphatically express my thanks to Dr. Partha Sarathi Basu for allowing me to do my plant physiological related works and his invaluable suggestions and needful help during my research.

I owe my special thanks to Dr. Swarup K Parida (Scientist, NIPGR, New Delhi), Dr. Abhishek Bohra (Scientist, Plant Breeding, IIPR, Kanpur), my brother Rintu Jha (SRF, IIPR, Kanpur), Dr. Dibendu Datta (Principal scientist, IIPR, Kanpur) and Mr. Virevol Thakro (PhD student, NIPGR, New Delhi) for their kind support for fulfilling my thesis work.

All the words in this lexicon will be futile and less meaningful, if I fail to express my heartfelt gratitude towards all of my family members-Bidisha Jha, Ushasi Jha, Mita Chakraborty, Kunal Chakraborty, Ajay Jha, Mita Jha, Soni Jha, Satyam Jha, who have influenced my life in many positive ways and encouraged me through thick and thin.

I seize this opportunity with the personal touch of emotions to express my deepest and affectionate gratitude to my adorable parents (heavenly Surja kanta Jha and Manju Jha) who stride hard and encouraged me even at the cost of their own comforts, held on to my hand and taught me everything I know today.

All may not have been mentioned, but none is forgotten.
