ACKNOWLEDGEMENTS

First of all, I am thankful to The Almighty God for establishing and giving me the strength to complete this study.

Words are inadequate to express my gratitude towards my supervisor, Dr. Amritpal Kaur for her constant support, keen interest and encouragement, without which this work would not have been possible. It is a great pleasure to acknowledge my deepest thanks and gratitude to my co-supervisor, Dr. Narpinder Singh, for his ever-available invaluable guidance, moral support and cooperation in canalizing my research work in a systematic manner.

I am grateful to Dr. B. S. Gill, Prof. and Head of the Department of Food Science and Technology, for his support during my research. I am highly thankful to all the faculty members and office staff of the Department of Food Science and Technology for extending their cooperation during the course of my study.

I would also like to thank Dr. J.C. Rana, NBPGR, Shimla for delivering the research material for my Ph.D. work, Dr. Baljit Singh, PAU, Ludhiana and Mr. Arvind Kumar Ahlawat (IARI, New Delhi) for permitting me to work in their lab, Mr. Jagmohan Singh (Kulwant Nutritions, Batala) and Mr. I.K. Sardana (Sukhjit Starch and Chemicals Ltd., Phagwara) for providing raw material for Ph.D. work.

I duly acknowledge UGC-BSR (SAP) for providing financial assistance in the form of fellowship during the course of this research work.

I have a deep sense of appreciation towards my friends Dr. Naincy Parmar and Dr. Atinder Ghumman for their unwavering support at all stages towards the successful completion of my research work.

I am thankful to Dr. Amardeep Singh Virdi and Dr. Khetan Shevkani for their valuable support. My deepest gratitude goes to all the lab-mates who helped me in one way or other during the course of this research work. The completion of this work could not have been possible without the assistance and guidance of so many people whose names may not all be enumerated. Their contributions are sincerely appreciated and gratefully acknowledged.

Finally, I must acknowledge with due respect the constant support and patience of my family throughout my Ph. D. work.
