ACKNOWLEDGEMENT

First of all I thank God, the Almighty for giving me good health and great blessing to me all throughout my life. Also I thank Him for this opportunity.

It is my great privilege to have Dr. C.K. Mahadevan (Associate Professor of Physics, S.T. Hindu College, Nagercoil) [Tamilnadu Scientist Awardee], who has guided me and has given me invaluable help over the years. He is a man of kindness, patience, knowledge and simplicity. He has given me the impetus to come forth with this thesis.

I would like to express my heartfelt thanks to my husband Mr. S. Ramlin for his valuable support and encouragement throughout my studies to achieve this great task. I thank my child R. Sanjay for his patience and co-operation during the period of this work. I extend my thanks to my father-in-law Mr. R. Sri Ramaperumal for his support and sincere advice during this course of study.

My special gratitude and honour is due to my parents Mr. T. Rajakumar (Retd. Headmaster) and Mrs. D. Usharani (Teacher, Mugalpura Muslim Aided High School, Tiruvannamalai) who have provided me the opportunity to be educated and are responsible for what I am today.

I am grateful to the Management, Principal and Head of the Physics Department of S.T. Hindu College, Nagercoil for extending the facilities to me to carry out the research work. It is my pleasure to thank Dr. T.H. Freeda, Associate
Professor of Physics of S.T. Hindu College, Dr. K.U. Madhu, Department of Physics of S.T. Hindu College, Dr. M. Vimalan (Research Associate), Physics Research Centre of S.T. Hindu College, Dr. M. Meena, Department of Physics of S.T. Hindu College and all the staff members of the Physics Department of S.T. Hindu College for their creative insights and intellectually stimulating discussion.

I am privileged to have whole hearted co-operation and perfect understanding from all my friends and colleagues, Mrs. I. S. Prameela Kumari (Sree Ayyappa College), Mrs. C. Kala Devi (Vivekananda College) Mrs. C. Latha (T.D.M.N.S College), Mrs. G. Deepa (Cape Engineering College), Mrs. D. Shiney Manoj, Mrs. K. Usha, Mrs. M. Annie Freeda (B.R.C. Agasteeswaram) and Mrs. S. Goma (Lekshmipuram College) for completing my research work. I would like to thank Dr. G. Janita Christobel (N.I. Deemed University), Dr. R. Sakthi Sudar Saravanand (Sathyam Engineering College) Mr. A. Nicholson, Mr. S.G. Rejith, Mrs. M.R. Reju, Mrs. S.I. Srikrishna Ramya, Mrs. J. Anitha Hudson, Mrs. O.V. Mary Sheeja, and other Ph. D.
