ACKNOWLEDGEMENT

It gives me great pleasure in expressing my deep sense of gratitude to my supervisor Dr. A. K. Bhargava, Reader in Department of Botany, Maharaj Singh College, Saharanpur for his benevolent guidance in the research work and completion of this thesis. The constant help of various parameters, extended to me by Dr. Bhargava, has been a perennial source of my advanced studies, an accelerated inspiration without their invaluable guidance, continued unfailing interest, academic devotion, the work could not have been what it is. My sincere obligation and greatfulness to him.

I sincerely expressed my deep sense of gratitude to Dr. K. K. Sharma, Principal M. S. College, Saharanpur. I am thankful to Dr. S. K. Upadhyaya, Ex-Head of Botany Department, M. S. College Saharanpur for providing all necessary facilities throughout my work and Dr. D. R. Panwar, Present Head of Botany Department, M. S. College Saharanpur for their appreciation at every step.

My thanks are also due to Dr. (Mrs.) Shobna Bhargava for their affectionate hospitality and encouragement.

Thanks are also due to Dr. S. K. Aggarwal, Dr. Ritu Aggarwal, Dr. Vijay Malik, Dr. Archana Tripathi for their valuable and helpful suggestions at every step of difficulty in my work.

I owe my deep sense of thanks to my technical staff of Botany Department Shri Hosla Prasad, Mr. Yogendra Kumar, Mr. Birendra Pandey for their devotion in my work.
Last but not least I sincerely express my deep sense of gratitude and thanks to my father Shri Mahaveer Singh Chaunan and mother Smt. Angoori Devi for their constant inspiration and devotion to complete this work.

My special thanks to my husband, Mr. Vivek Kumar for his being very understanding and for his constant motivation, encouragement and inspiration to achieve my goal. But for his affectionate support, untiring help and complete understanding, it would not have been possible to concentrate and achieve my aim.

I also thank Yogesh Bhai and Amit Kumar for their untiring and very long sittings at the Computer for typing and helping me in giving proper shape and achieving the desired standard of my work for presentation.
