ACKNOWLEDGEMENT

At the outset I would like to thank Almighty God without whose blessings this work would not have seen its day. God has given me the potential, ability and opportunity to conduct this study.

I wish to express my sincere thanks to Dr. Krishna Rathore, Ex-Principal, Govt. Dungar College, Bikaner for his kind and generous support in permitting me to carry out this work.

I express my heartfelt thanks to Dr. B.B.S. Kapoor, Head, Botany Department, Govt. Dungar College, Bikaner for providing me all the possible research facilities for completion of the research work.

I am also thankful to Dr. Suman Sharma and Dr. Anil Arora for their valuable suggestion during the progress of this work.

I also take opportunity to thanks supporting lab staff of Botany Department, Govt. Dungar College, Bikaner who helped me in many different ways to conduct the experiment in a specific manner.

Heartfelt thanks are also due to Mr. Pawan Parihar, Dr. Shallu Parihar, Dr. S.R. Jhajaria, Dr. Manish Sareen, Dr. Rajendra Karwasra, Mr. Chaterbhuj and Mr. Jitender for their moral support, inspiration and assistance in various ways.

I am also thankful to Bakshi Computer Center, Sri Ganganagar for their composing and printing work within the given stipulated time.
Words are not enough to express my deep sense of regards to my family, whose blessing and affectionate co-operation which are my precious assets that inspired me to complete this work.

Special thanks to my wife Samta and loving son Shubham for their help during the entire period of study.

Above all, almighty God has been kind enough in showering his blessings and showing me the right path.
