ACKNOWLEDGEMENT

At the outset, being the student of this great institution, I bow my head with great reverence in the pious feet of Bharata Ratna Pandit Madan Mohan Malaviya Ji, a man of great vision and founder of the Banaras Hindu University, Varanasi, India, for his lifetime sacrifice and efforts in establishing such a seat of learning for the cause of the millions of students like me.

I take great pleasure to express my intense gratitude to my supervisor Dr. O.P. Mishra, Professor and Head, Department of Extension Education, Institute of Agricultural Sciences, Banaras Hindu University, Varanasi (U.P) for suggesting and planning the present investigation, valuable guidance, helpful criticism and constant encouragement throughout the course of investigation and preparation of manuscript without which this work would not have seen the light of the day.

I owe my sincere thanks to the members of my advisory committee, Dr. Dipak De, Professor, Department of Extension Education, Dr. A. K. Singh, Professor, Department of Extension Education, Dr. H. P. Singh, Professor, Department of Agricultural Economics and Dr. Abhishek Singh, Assistant Professor, Department of Farm Engineering, Institute of Agricultural Sciences, Banaras Hindu University, Varanasi (U.P.) for their critical suggestion and benevolent guidance.

I am highly obliged to Dr. B. Jiri, Associate Professor and Dr. Kalyan Ghadei, Associate Professor, Department of Extension Education, Institute of Agricultural Sciences, Banaras Hindu University for providing the necessary facilities of laboratory during this investigation.

I extend my indebtedness to Dr. P. V. Satyagopal, Professor, Dr. B. Vijayabhinandana, Principal Scientist and Dr. G. Sivanarayana, Professor, Department of Agricultural Extension, Acharya N.G. Ranga Agricultural University, Andhra Pradesh for their guidance, co-operations supervision, and helpful attitude towards me during the research of investigation.

With profound regards in a more personal sense, I owe deepest debts to my parents Sri Balarama Swamy Tamminana and Smt. Lakshmi Tamminana who taught me the value of wisdom and their persistent inspiration, selfless sacrifice, love, continuous encouragement and blessing gave mental support and have enabled me to be so today.
Words are not enough to express my deep sense of gratitude to my beloved elder sisters Bhavani Tamminana and Sarada Tamminana who were always with me during my ups and downs, whose affection and moral support gave me strength during my course work.

I convey my special thanks to senior Dr. Dheeraj Mishra, for his cooperation during the study and investigation.

I acknowledge the company of my batch mates, Akram, Sheele, Sneha, Kamta, Satyendra, Amit, Abhishek, Ritesh, Swati and my juniors, Hashim, Manohar, Raghuveer, Ritu Shah, Sarvesh, Roji and Vineesh for their co-operation.

The words are inadequate to express my feelings to my heartfelt and dearest friends for their immense love and affection which always animated me to face the challenges and very special thanks to Neha Upeti, Jai Prakash and Sundaravadivu, Eswar and Pratap for their co-operation, continuous motivation for achieving my goal and for which I gained a new life over here.

I found no rhetorical gems from the ocean of words to express my hearted sense of gratitude to my dearest Chitti, who encouraged me a lot from the beginning day and filled bloom in my life at each and every step.

I feel paucity of words to express my gratefulness and warmest regard to all non teaching staff members Shri Bipram Chaurasia, Shri Harisharan Mishra, Shri Rambriksh, Shri Anup Kumar and Shri Mahendra ji of the Department of Extension Education, B.H.U. for their timely help and co-operation during the course of my study.

I am also expressing my sincere thanks to DST-INSPIRE for their financial support throughout the research work.

I would be remiss if I did not thank my Lord ‘ShIVA’. There were many times when I called His name for help, comfort, and guidance; He was always right at my side. I feel beholde to heartily acknowledge my deep sense of obligations to persons and institutions wherefrom I received a series of harmonious help during the course of present investigation.
