DEDICATION

I would like to dedicate this work to my loving parents, father Dr. Amol Shankarrao Vidyasagar and mother Mrs. Kamal Amol Vidyasagar whose dreams for me have resulted in this achievement and without their loving upbringing and nurturing; I would not have been where I am today and what I am today. It is true that if god ever existed, he would be in the form of a mother and father, because only they can love and give without expecting anything in return. I thank my parents with all my heart and I know they are always there, for listening me, watching me and bless me constantly and are my angels. This one is for you!
