Acknowledgements

First and foremost, I would like to express my profound and sincere gratitude to my supervisor Prof. (Dr.) Karamjit Singh Chahal whose wide knowledge, logical thinking and considerate behaviour made my Ph.D. an enriching experience. I am indebted for all his contributions in terms of time and ideas as they were highly productive and stimulating.

I am thankful to Mr. Amit Minhas, DTP, Hoshiarpur and Mr. Sonu Mahindroo, ATP, Amritsar Improvement Trust for reinforcing me with the essential information. I am especially indebted to Mr. Manish Kumar who wholeheartedly spearheaded the field surveys. His extensive discussions around my work have been very helpful for this study. I am thankful to the students of Department of Architecture who sat through intensive interactive sessions and conducted the requisite surveys, especially Aaprampal Singh, Harmeen Punmia, Harsh Bhatia, Kashish Gupta, Parth Arora, Prateek Bhagat, Pritpal Singh, Ranjit Singh, Sahil Batra and Shubhankar Goswamy.

I warmly thank Mr Gopal Johari for his extensive discussions around my work and suggestions that helped refine my research work. My special thanks to Dr Balwinder Singh, Department of Commerce who held rigorous sessions trying to train and assist me in the statistical analysis. I am indebted to Prof. (Dr.) Parminder Singh, Department of Economics for his essential inputs in terms of corrections and suggestions at the critical moment of thesis submission.

I am also thankful to all those who inadvertently extended their co-operation during the course of this study. Last but not the least, I would like to thank my husband Vikas Nohria for his unstinted support and encouragement. I owe special thanks to my sons Siddharth Nohria and Nipun Nohria for their concern and cooperation that made it possible for me to accomplish this task successfully.

Above all, I thank the Almighty for all the blessings showered on me during the course of this academic endeavor.
